People: A compelling and suspenseful novel that goes straight to the gut. *St Louis Post Dispatch*. For eighteen years Fran Benedetto kept her secret hidden. She stayed with Bobby because she wanted her son to have a father and because in spite of everything she loved him. Then one night when she saw the look on her ten-year-old son's face, Fran finally made a choice and ran for both their lives. Now she is starting over in a city far from home, far from Bobby. In this place she uses a name that isn't hers, watches over her son, and tries to forget. For the woman who now calls herself Beth, every day is a chance to heal, to put together the pieces of her shattered self. And every day she waits for Bobby to catch up to her. Bobby always said he would never let her go, and despite the ingenuity of her escape, Fran Benedetto is certain of one thing: It is only a matter of time.
