The Triune Story Robert W. Jenson,2019-06-18 At the time of his death in the autumn of 2017 Robert W Jenson was arguably America s foremost theologian Over the course of a career spanning more than five decades much of Jenson s thought was dedicated to the theological description of how Scripture should be read what has come to be called theological interpretation In this rapidly expanding field of scholarship Jenson has had an inordinate impact Despite its importance study of Jenson s theology of scriptural interpretation has lagged due in large part to the longevity of his career and volume of his output In this book all of Jenson s writings on Scripture and its interpretation have been collected for the first time Here readers will be able to see the evolution of Jenson s thought on this topic as well as the scope and intensity of his late period engagement with it Where other twentieth century thinkers rely on non theological secular methods of scriptural investigation Jenson is willing to let go of respectability for the sake of a truly Christian theological interpretation The result is a genuinely free intellectually invigorating exercise in reading and theory from one of the greatest theologians in the last century
