The Development of Children and Adolescents Penny Hauser-Cram, J. Kevin Nugent, Kathleen Thies, John F. Travers, 2013-11-25 The Development of Children and Adolescents by Penny Hauser Cram J Kevin Nugent Kathleen Thies and John F Travers provides an integrated view of child development Presenting the most pertinent research for each developmental stage and linking this to practical applications in the areas of Parenting Policy and Practice this balanced approach emphasizes the relationship between research and theory and applications The rich media program including WileyPLUS with Real Development promotes active learning and allows for increased understanding and comprehension of the course content Real Development authored by Nicole Barnes Ph D Montclair State University and Christine Hatchard Psy D Monmouth University uses authentic video showcasing real families along with activities and assessments that put students in the place of a professional to gain an understanding of key concepts Through the combination of text and media students are engaged in meaningful learning that deepens and enriches their understanding of developmental concepts WileyPLUS sold separately from text

Meeting the Mental Health Needs of Young Children 0-5 Years Marie Potter, Samuel Stones, 2025-02-28 The mental health of children is a current concern and this applies even to the earliest years of a child's life This book supports trainees and practitioners working in early years contexts to understand the risk factors which can result in the development of mental health needs in children from birth to 5 It argues that high quality early years provision can mitigate against some of these risk factors and provides clear evidence informed guidance around government policy transitions attachment and working with parents or carers

Abnormal Psychology William J. Ray, 2016-11-30 In Abnormal Psychology Perspectives on Human Behavior and Experience Second Edition William J Ray brings together current perspectives concerning the manner in which the human mind behavior and experience can be understood In addition to the traditional psychological literature this book draws from work in the cognitive and affective neurosciences epidemiology ethology and genetics Ray's focus is on a unification and integration of the biopsychosocial understandings of human behavior within a broader consideration of human culture and language as it applies to abnormal psychology

Attachments Harold I. Siegel, 2011-02-18 Henry a middle aged psychology professor is in the midst of an unpleasant stage in his life His past relationships with his parents have left him feeling enmeshed and bitter unappreciated and guilty His adulterous attempt to seek affection outside his unsatisfactory marriage has ended tragically As he privately struggles with his own insecurities Henry embarks on an unpredictable journey to find healthy attachments Despite repeating several unfulfilling sexual experiences with his female students Henry makes a valid attempt to maintain some degree of professionalism But is it a mere coincidence that Henry is teaching Attachment Theory a course focused on healthy and unhealthy interpersonal relationships that first involve parent and child and then later adult romantic connections As Henry struggles to find a way to satisfy his own unmet attachment needs he tries to ignore his own compulsion to seek out

relationships that do not provide the deep emotional connection he so desperately craves But Henry is about to discover that his past actions may come back to haunt him in ways he never imagined Only time will tell if he will be able to take his life full circle and heal the wounds from long ago
