**Stride** Ken Willard, Mike Schreiner, 2017-10-17 Churches of all types around the country are struggling The more programs they try the more evident it becomes that there is no quick fix or secret formula to help them out of their rut John Wesley the founder of the Methodist Movement once said The way to keep a Methodist alive is to keep him moving It is time to recapture this simple yet profound truth and get back to the basics of making fully devoted followers of Jesus Christ The authors developed and launched a highly successful pathway to discipleship in their church Morning Star UMC in St Louis Here they show others how to create a successful discipleship pathway for their own particular contexts based on the principles developed at Morning Star Willard and Scheiner share the

process of developing a discipleship pathway that meets individual people where they are They provide examples of each element and practical instruction on how to plan implement and sustain the discipleship pathway The authors are teaching this material in conferences around the UM connection from New Mexico to Missouri They also share examples of how the pathway works in other churches For small group study participants working through Stride the Stride Participant Book ISBN 9781501876257 a workbook designed to facilitate individual work on creating a discipleship pathway is available to purchase separately *The Path of Discipleship. Four Lectures ...* Annie Besant,1896 **The Path** ,1911 **Pathway to Discipleship** Charles Adebayo Abanishie,2015-02-18 The Pathway to Discipleship seeks to provide an answer to the growing concerns of believers generally and the author in particular about increasing number of new converts taking their lives back immediately after giving their lives to Jesus Christ With the benefit of hindsight it is concluded that there should be an articulate easy to read material that will help new converts along the new path they have chosen This will help propel them to a steady growth to maturity in Jesus Christ with little external supervision which in any case may not be readily available Armed with this book a new convert can check out how well he or she is progressing whether or not he or she is making any progress at all and with the help of the Holy Spirit determine what to do next to avoid falling away out of discouragement Knowing who gave you life and committing to Him early enough and on the other hand knowing the person who will vehemently contend with you in an attempt to win you back will help you to decide which way to go This all important knowledge is brought to you in Chapters 1 4 The essential steps along the pathway to discipleship follow immediately after and flow to the end of the book [The Way of the Disciple](#) Erasmo Leiva-Merikakis,2003-01-01 This book explores in depth six Gospel scenes so as to discover in these the essential elements of Christian discipleship It describes the basic requirements for receiving the Word of God effectively in our hearts namely that we become wet clay in God s hands so that God can impress upon us any form he chooses It also contemplates the vital position of the Mother of the Lord in the life of his disciples The author shows that the call to discipleship is above all an invitation to intimate companionship with Jesus as we read in Mark Jesus called to him those whom he desired in order that they might be with him 3 14 15 What we normally call the active apostolate can never be an end in itself but only the fruits of a life of prayer and adoration These are what must be at the heart of a disciple s life which can never be swept up by mere activism **The Meanings of Discipleship** Andrew Hayes,Stephen Cherry,2022-07-22 Discipleship is a foundational concept of Christian life which has become a popular and ubiquitous description of belonging and growth in early 21st century ecclesiastical language Discipleship courses and popular writings abound and the term is used liberally in official church documents and strategies for growth and development particular in a western context But does recent use of the word risk reducing the wide range of meanings of discipleship to something less rich and inclusive than is warranted With contributions from an array of leading thinkers scholars and theologians including Rachel Mann Kirsteen Kim and Anthony Reddie this book argues that there is need for

more clarity precision and depth in defining what meaningfully and constructively is construed as discipleship Beginning with an overview of how the concept of discipleship has been understood in history the volume goes on to consider some of the key figures who have shaped our understanding of the concept and finally to reflect on what discipleship might look like in contemporary society *Gospel Discipleship Participant Guide* Michelle J. Morris, 2020-03-31 There was a time when discipleship was taken for granted It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus That assumption is no longer valid As early as the Gospels Jesus and his biographers recognize that each person brings experience to the journey which travels through different times and places The discipleship path for each individual disciple is assessed and determined through this Gospel Discipleship Participant Guide while the Gospel Discipleship Congregation Guide serves as the implementation guide for church leaders It also assesses the discipleship path for the congregation as a whole By understanding what type of disciple you are participants in Gospel Discipleship can clarify the path they need to walk Some people love to go on mission trips some people really thrive learning from a great teacher some people connect to God through painting and music and some people just want to have a cup of coffee and talk about life and eventually get around to talking about Jesus Participants in Gospel Discipleship can be set free from the guilt of not feeling like a real disciple because they don't feel called to experience the journey the same way as everyone else Instead participants can become the disciple Jesus wants them to be They can spend their valuable time and energy living and walking on the path where Jesus is calling them to follow *Daily Meditations on the Path and Its Qualifications* Annie Wood Besant, 1923 **Next Step Discipleship** David Daniels, 2016-10-06 The destination of the spiritual life isn't merely heaven God invites His people to join Him in His global redemptive plan Understanding a simple Spiritual Pathway the Christian will discover timeless principles to help move their life to greater missional living Next Step Discipleship is a vital spiritual growth resource to help Christians live teach and model biblical principles for their own spiritual growth and so that healthy churches are established everywhere If you want to get your spiritual life moving in the right direction this book is for you [The Way of Discipleship](#) Ron Stohler, 2015-03-13 Follow my example as I follow the example of Christ 1 Corinthians 11:1 NIV Jesus walked the shores of Galilee and called ordinary fishermen to drop their nets to follow Him Follow me wasn't a suggestion but a summons from the very Son of God In response they left everything known and comfortable to live with Jesus learn from Jesus be launched by Jesus to go and make disciples in His name Their lives and this world has never been the same Jesus still calls ordinary people by name to follow him The problem is many churches today are filled with people who claim to believe in Jesus but whose lives don't reflect his character and calling Many fans Few followers Many believers Few disciples That needs to change Which is why the leaders of Grace Church focused their efforts in 2010 to launch the Way of Discipleship to aggressively respond to the Great Commission to go and make disciples of all nations The Way of Discipleship is a time bound intentional relationship focused on learning and embracing 11 essential

practices to following Jesus Christ The Way of Discipleship is engages one person a discipler who invites another person a disciple to follow them as they follow Christ The Way of Discipleship shapes our character who we are and our calling what we do Like a tree the Way of Discipleship roots us in Christ provides stability to weather the storms of life and branches out to bear fruit in our lives This resource is a tool to facilitate this relationship over a period of one to three years to integrate these practices into one s life and prepare the disciple to replicate it into another relationship It will be costly but the cause is worth it more than anything else the world has to offer
