## **The Path To Freedom:**

The Path to Freedom ,2025-01-27 The Vimuttimaggā the Path to Freedom is a Theravāda Buddhist manual on the path leading to nibbāna the ultimate freedom from all mental bondage that is reached through the practice of virtue concentration and wisdom The emphasis of the manual is on concentration or meditation and it contains detailed explanations of all of the traditional Buddhist meditation topics The manual was composed by the Buddhist monk Upatissa as a guide for those who wish to practise this path Along with its successor the larger and more scholastic Visuddhimagga it is the only known ancient Buddhist manual that is solely dedicated to the cultivation of the path and that gives such detailed systematic and sometimes unique instructions The original Pāli text of the Vimuttimaggā probably composed in Sri Lanka in the 3rd or 4th century CE is lost and the treatise now only survives as a 6th century Chinese translation and partially in Tibetan translations Besides the first complete English translation of the Chinese text of this important work as well as a translation of the Tibetan quotations from it this book also contains an extensive introduction discussing the contents history and other aspects of the

JA,2020-11-01 How would the world look at such a time At a time when 50 countries with majority Muslim populations all migrated to embrace democracy and freedom The world would certainly feel like a safer brighter and more comfortable place in which to live But is it possible Is it possible that 50 majority Muslim countries would migrate in droves or little by little to embrace democracy and freedom The answer is that it is not only possible but it is a must It is possible because the system that a country develops is the offspring of its political economic and cultural dynamics Fly up even higher to look at five thousand years of civilization What do you see Only one thing is clear What doesn't change is change itself Social sanctions could always work to force 50 Muslim countries to migrate towards democracy and freedom It is more than possible it's a must 50 majority Muslim countries must embrace democracy and freedom Leaders fighters and heroes who want something
