The Pear Tree As a Sexual Symbol in Katherine Mansfield's "Bliss" Florian Burkhardt,2005-11-04 Essay from the year 2004 in the subject English Language and Literature Studies Literature grade 1 University of Stuttgart language English abstract Katherine Mansfield s story Bliss can be read as a satire on the artist milieu of her time combined with the subject of disloyalty But it also is full of symbols To understand the complete meaning of the story we have to interpret these symbols As Bertha Young the protagonist identifies herself with the pear tree this symbol seems to be very important for our interpretation especially of the last mysterious sentence In my opinion the pear tree stands for two aspects related to Bertha which might help us to get a deeper view on Bliss her bisexuality and far more relevant her virginity Why is the pear tree a symbol for Bertha s bisexuality Botanically a pear tree can be regarded as bisexual by nature because it is self fertilizing It has both female and male organs But I also can verify my thesis according to text When Bertha shows her garden to Pearl Fulton this is a crucial moment of the story Bertha is highly emotional in this scene because she forgets the world and the time around her and her thoughts are described emotively The pear tree occurs in this scene in a remarkable way for it seems to touch the rim of the round silver moon We have to keep in mind that the pear tree symbolizes Bertha for she explicitly says that p 123 and her dress resembles to the pear tree The moon and its silver light are an important symbol too Therefore we need to find out its meaning I suggest to interpret the moon in Bliss in a very classical way The moon is an ancient symbol for the feminine principle in the world as the sun stands for the masculine cp lat luna f sol m The cycle of the female sex hormone i e menstruation and the cycle of the moon are similar So we can make a simple connection between the moon and female sexuality Why is the moon so important in this story Because Pearl is associated with the moon She is dressed all in silver she

has moonbeam fingers p 135 and Bertha compares her to the moonlight thinking the light of the moon silver as Miss Fulton p 129 *The Pear Tree That Bloomed In The Fall* Will D.
