

Treating Sexual Desire Disorders

A Clinical Casebook

edited by **Sandra R. Leiblum**

Treating Sexual Disorders

Helen Singer Kaplan

Treating Sexual Disorders:

New Sex Therapy Helen Singer Kaplan, 2013-10-28 First published in 1975 The last two decades have brought remarkable advances in our knowledge of human sexuality These data are in the process of being assimilated into the main body of psychiatric thought which is being greatly enriched thereby Our increased understanding of sexuality is also currently being translated into innovative new approaches to the treatment of sexual difficulties These developments promise relief to many persons with distressing sexual problems who were previously thought to be beyond help At the present time the specific approach to sex therapy described in this volume is being employed further developed and most important systematically evaluated at the Sex Therapy and Education Program of the Payne Whitney Psychiatric Clinic of the Cornell University New York Hospital Center The Cornell program is psychiatrically oriented It regards sex therapy as a specialized branch of psychotherapy The Clinic conceives of sexual dysfunctions as psychosomatic symptoms and its orientation is multicausal and eclectic in that it believes that sexual dysfunctions are the product of multiple etiologic factors and our treatment armamentarium comprises an amalgam of experiential behavioral and dynamically oriented modalities Sexual Disorders Peter J. Fagan, 2004-12-01 Sexual disorders may arise from multiple causes Their clinical assessment diagnosis and treatment must take into account the patient's underlying biology history and behaviors Using an approach pioneered at the Johns Hopkins Medical Institutions Peter Fagan applies the four perspectives of psychiatry disease dimension behavior and life story to the diagnosis and treatment of sexual disorders This book offers therapists an efficient and clinically proven way to organize the range of theoretical methodologies currently available presenting a framework that is both conceptually cohesive and readily applicable in clinical settings After an introduction each chapter offers a case study followed by an analysis based on one perspective methodology as well as a discussion of the clinical implications of that perspective The book closes with a chapter integrating the approaches This book will be of interest to mental health care professionals including psychiatrists psychologists and social workers who treat patients with sexual disorders *Sexual Dysfunction in Men* David L Rowland, 2012-01-01 By far the best professional book ever published about understanding assessing and treating male sexual dysfunction Sexual dysfunctions in men such as erectile dysfunction ejaculatory disorders and low sexual desire are typically sources of significant distress for men This book being published with the companion volume *Sexual Dysfunction in Women* provides general therapists with practical yet succinct evidence based guidance on the diagnosis and treatment of the most common male sexual disorders encountered in clinical practice It assumes that mental health professionals and other clinicians without expertise in the field of sex therapy have much to offer these men by combining a multidisciplinary understanding of issues surrounding sexual problems with their general clinical knowledge and expertise With tables and marginal notes to assist orientation the book is designed for quick and easy reference while at the same time providing more in depth understanding for those desiring it The book can serve as a go to guide for professional

clinicians in their daily work and is an ideal educational resource for students and for practice-oriented continuing education. Recent Praise Simply put this is by far the best professional book ever published about understanding, assessing, and treating male sexual dysfunction. David Rowland examines the biopsychosocial model of sexual function and dysfunction and applies a multi-dimensional, complex approach to understanding and changing male sexual dysfunction. This book makes a major contribution to the field and should be on the bookshelf of every psychologist, physician, and couple therapist treating men individually or in couple therapy.

Barry McCarthy, Professor of Psychology, American University, Washington, DC, certified marriage and sex therapist, coauthor of *Men's Sexual Health and Sexual Awareness*, 5th ed. David Rowland's text is an important addition to the literature and belongs in every therapist's library. It is especially valuable because it is designed to help the generalist deal with sexual problems and is written clearly with a practical emphasis.

Robert Taylor Segraves, MD, PhD, Professor of Psychiatry, emeritus, Case Western Reserve University, Cleveland, OH, Editor of *Journal of Sex and Marital Therapy*. Written for both professionals and the general population, David Rowland's work provides a comprehensive scholarly review of men's sexual problems and up-to-date treatments. He concisely examines physiological and psychological causes and provides the theoretical underpinnings necessary for accurate diagnosis and treatment. This compact volume is a valuable source of useful information, succinctly covering an all-too-often ignored area of human function and interaction.

Diane Morrissette, PhD, Psychotherapist specializing in sex and relationship counseling, Palo Alto, CA. The interdisciplinary expertise of Dr. David Rowland makes this comprehensive book on sexual dysfunction in men an essential read for any professional. The excellent descriptions of assessment and treatment will prove enlightening to medical health providers as well as anyone in the mental health field. The inclusion of the empirical evidence of varying treatments will help clinicians focus on the most efficacious approach.

Sex Dysfunction in Men is a welcomed addition to evidence-based practice.

Lin Myers, Professor of Psychology, California State University Stanislaus, researcher, educator, clinician in the field of sexology for over 25 years, full member of the International Academy of Sex Research and a member of SSTAR and ASSECT.

[Management of Sexual Dysfunction in Men and Women](#)

Larry I. Lipshultz, Alexander W. Pastuszak, Andrew T. Goldstein, Annamaria Giraldi, Michael A. Perelman, 2016-07-05. This book provides a comprehensive state-of-the-art review of the intersection of male and female reproductive and sexual health. The text comprehensively discusses the evaluation and management of physical, genetic, and psychological causes of male and female sexual dysfunction. Discussion of treatment focuses on current medical and surgical psychosexual therapies in both the male and female. The book highlights erectile, ejaculatory, and orgasmic disorders in the male, desire, arousal, and orgasmic disorders in the female, and an integrated approach to the couple. Lifestyle modifications through diet and exercise and optimization of anthropomorphic characteristics are also discussed, including a holistic approach to these disorders that goes beyond a focus on the genital system alone.

Sexual Dysfunction in Men and Women: An Interdisciplinary Approach serves as a resource for physicians and researchers interested in sexual

medicine seeking a comprehensive overview of the practice and novel research in the field Treating Sexual Desire Disorders Sandra R. Leiblum,2010-04-16 The loss or lack of interest in sex is a common complaint in sex therapy Organized around in depth case presentations this book showcases effective treatment approaches for individuals and couples The contributors are highly skilled therapists who explore the complexity of sexual desire problems and offer detailed descriptions of clinical techniques The book illuminates the complex interplay of biological psychological interpersonal contextual and cultural factors that need to be considered in assessment and intervention Concise chapter introductions by editor Sandra R Leiblum summarize key themes and provide a context for understanding each author s approach **Sexual Dysfunction, Second Edition** Michael P. Carey,John P. Wincze,2012-08-30 An ideal introduction for sex therapy students and trainees this volume provides an overview of the most common sexual dysfunctions and the full range of assessment and treatment approaches The book begins with discussions of the main classes of sexual dysfunction describing what is currently known about clinical presentation prevalence and etiological factors Addressing the practical tasks of clinical evaluation and intervention the authors clearly explain basic strategies and methods for working with clients

Nutraceuticals for the Treatment and Prevention of Sexual Disorders Raj K. Keservani,Sharangouda J. Patil,Ivan Aranha,2025-02-10 This unique book covers diverse aspects of sexual dysfunctions and the role of nutraceutical therapeutics applying both traditional knoweldge and modern evidence based research The new book focuses on the use of nutraceuticals on sexual disorders highlighting the working solutions as well as open problems and future challenges in the use of nutraceuticals in sexual disorder research Disucssing state of the art developments and trends in this field the book covers the use of antioxidants in stress induced male infertility the role of nutraceuticals in prostate cancer male sex hormone disturbances and the impact of nutraceuticals on male accessory organs The book also addresses the use of nutraceuticals on female sexual disorders and remedial measures in treating breast cancer cervical complications pregnancy health and disorders menstrual disturbances female sex hormones female infertility and prevention of vaginal infections The book also covers the use of nutraceuticals to combat general sexual disorders such as urinogenital complications geriatric sexual functions traditional nutraceuticals use for sexual disorders the use of nutritional spices for sexual disorders and the role of nutraceuticals on transgendered individuals **Enhancing Sexuality** John Wincze,2009-04-24 Sexual dysfunction can cause significant distress in both men and women and their partners This therapist guide presents a comprehensive program for assessing and treating sexual dysfunction in couples or single individuals regardless of sexual orientation It outlines pathways for therapy and gives recommendations for formulating a treatment plan Therapists are encouraged to be flexible in their approach while guiding clients through this step by step program The guide and corresponding workbook present information on a number of sexual problems including low sexual desire difficulty becoming sexually aroused premature or quick ejaculation erectile dysfunction trouble achieving orgasm and pain or discomfort during sex Clients are educated about

sexual development and common sexual myths They also learn about factors that influence sexual functioning in order to create favorable conditions for sex For each topic this guide offers an overview of principles underlying treatment and main concepts to convey to clients Case vignettes illustrate key points and important tips for the therapist are highlighted throughout The corresponding workbook includes chapter review quizzes exercises and worksheets to reinforce client understanding and couple participation Enhancing sexuality is a worthy goal for couples and individuals and clinicians will find this a rewarding program to put into practice

Leiblum, 2010-04-16 The loss or lack of interest in sex is a common complaint in sex therapy Organized around in depth case presentations this book showcases effective treatment approaches for individuals and couples The contributors are highly skilled therapists who explore the complexity of sexual desire problems and offer detailed descriptions of clinical techniques The book illuminates the complex interplay of biological psychological interpersonal contextual and cultural factors that need to be considered in assessment and intervention Concise chapter introductions by editor Sandra R Leiblum summarize key themes and provide a context for understanding each author s approach

Principles and Practice of Sex Therapy

Kathryn S. K. Hall, Yitzchak M. Binik, 2020-06-29 This widely used clinical reference and text now significantly updated with 75% new material reflecting therapeutic advances diagnostic changes and increased coverage of sexual minority groups comprehensively addresses sexual problems and their treatment Prominent contributors interweave theory research and clinical considerations Detailed case examples illustrate the process of assessment and intervention with individuals and

couples across the lifespan with attention to gender related cultural and health concerns The volume features an integrative introduction and conclusion plus an instructive editorial commentary at the beginning of each chapter New to This Edition Many new authors and extensively revised chapters Coverage of advances in sexual medicine ICD 11 diagnostic changes and other timely topics Chapters on sexual aversion female sexual arousal disorder and out of control sexual behavior Chapters on the transition to parenthood and the treatment of sexual concerns in the BDSM community and adult transgender clients Chapters on additional medical issues cancer and spinal cord injury

Enhancing Sexuality John Wincze,2009-04-24 Sexual dysfunction can cause significant distress in both men and women and their partners This therapist guide presents a comprehensive program for assessing and treating sexual dysfunction in couples or single individuals regardless of sexual orientation It outlines pathways for therapy and gives recommendations for formulating a treatment plan Therapists are encouraged to be flexible in their approach while guiding clients through this step by step program The guide and corresponding workbook present information on a number of sexual problems including low sexual desire difficulty becoming sexually aroused premature or quick ejaculation erectile dysfunction trouble achieving orgasm and pain or discomfort during sex Clients are educated about sexual development and common sexual myths They also learn about factors that influence sexual functioning in order to create favorable conditions for sex For each topic this guide offers an overview of principles underlying treatment and main concepts to convey to clients Case vignettes illustrate key points and important tips for the therapist are highlighted throughout The corresponding workbook includes chapter review quizzes exercises and worksheets to reinforce client understanding and couple participation Enhancing sexuality is a worthy goal for couples and individuals and clinicians will find this a rewarding program to put into practice

Disorders of Sexual Desire and Other New Concepts and Techniques in Sex Therapy Helen Singer Kaplan,1979

Treating Sexual Disorders Randolph S. Charlton,1997 Crafted to be accessible to novice clinicians experienced therapists as well as experts in sexual dysfunction this book is filled with down to earth advice and case examples The book provides clinicians with the necessary tools to understand the basics behind the formulation of effective treatment of sexual dysfunction Numerous clinical examples are presented to show how the author arrived at a treatment strategy

Cognitive-Behavioral Therapy for Sexual Dysfunction Michael Metz,Norman Epstein,Barry Mccarthy,2017-11-13 Cognitive Behavioral Therapy for Sexual Dysfunction provides clinicians and graduate students with a comprehensive biopsychosocial model of useful practical empirically based strategies and techniques to address common sexual dysfunctions It is the most comprehensive volume describing the couple cognitive behavioral approach to assessment treatment and relapse prevention of sexual dysfunction The focus is on sexual desire and satisfaction with an emphasis on the Good Enough Sex GES model of sharing sexual pleasure rather than an individual perfect intercourse performance test This title reflects the contributions of Mike Metz to the field of couple sex therapy

Clinician's Guide to Systemic Sex Therapy Nancy Gambescia,Gerald R. Weeks,Katherine M. Hertlein,2015-12-07 The

second edition of *A Clinician's Guide to Systemic Sex Therapy* has been completely revised updated and expanded This volume is written for beginning psychotherapy practitioners in order to guide them through the complexities of sex therapy and help them to be more efficient in their treatment The authors offer a unique theoretical approach to understanding and treating sexual problems from a systemic perspective incorporating the multifaceted perspectives of the individual client the couple the family and the other contextual factors Both beginning and experienced sex relationship therapists will broaden their perspectives with the Intersystem approach and gain information rarely seen in sex therapy texts such as how to thoroughly assess each sexual disorder the implementation of various treatment principles and techniques how to incorporate homework dealing with ethical dilemmas understanding different expressions of sexual behavior and addressing the impact of medical problems on sexuality Aside from bringing the diagnostic criteria up to date with the DSM 5 this new edition contains a new chapter on sensate focus an expanded section on assessment more information about development across the lifespan and more focus on diversity issues throughout the text

Sexual Dysfunction John P. Wincze, Risa B. Weisberg, 2015-05-18 Highly regarded as a course text and practitioner resource this book presents concise intervention guidelines for the most frequently encountered sexual dysfunctions in women and men Following a consistent format chapters on each clinical problem cover its description clinical presentation prevalence etiology and biological and psychosocial factors Illustrative case examples of diverse individuals and couples are included The authors provide a state of the art framework for conducting comprehensive assessments weaving multiple data sources into a coherent case formulation and planning effective treatment that integrates medical and psychosocial strategies New to This Edition Incorporates major advances in both sexual medicine and psychotherapy Extensively rewritten with all new case material throughout New chapter organization aligned with DSM 5 Expanded coverage of biopsychosocial assessment Discusses pseudoscientific and sham treatments

The New Sex Therapy Helen Singer Kaplan, 1974 In recent years the work of Kinsey Masters and Johnson and other investigators has led to tremendous advances in our understanding of human sexuality This increased understanding is currently being translated into innovative new approaches to the treatment of sexually dysfunctional men and women with often dramatic results in relieving the distressing sexual symptoms of countless individuals who were formerly beyond help even with years of costly psychotherapy Now a noted psychiatrist and specialist in the new sex therapy describes for the first time the new treatment of the sexual dysfunctions providing a clear picture of the entire process of treatment as well as conceptualizing the theory underlying it The author's method is unique in that it represents an integration of psychoanalytic and sex therapy techniques It treats the couple on an outpatient basis and is applicable to office practice as well it focuses on relief of the sexual problem and attaining improved sexual functioning and it is multicausal and eclectic in orientation combining psychoanalytic and learning theories and techniques through the integration of assigned sexual tasks which the couple conducts at home with conjoint psychotherapeutic sessions in the

doctor's office Treatment is usually brief requiring only six to fifteen visits for most couples This comprehensive volume covers the anatomy and physiology of the sexual response including the role of hormones and the brain with 13 anatomical and schematic illustrations the biological and psychological causes of sexual dysfunction and the basic principles and procedures of sex therapy Discarding the pejorative terms impotence and frigidity the author classifies the six major sexual dysfunctions as in Men Erectile Dysfunction Premature Ejaculation and Retarded Ejaculation in Women General Sexual Dysfunction Orgastic Dysfunction and Vaginismus For each of these the author describes the immediate and deeper causes the specific sexual tasks assigned the therapist couple interaction in the therapeutic sessions and the results of treatment Thirty nine detailed case studies supplement the text and seven drawings by internationally known artist Betty Dodson illustrate the sexual tasks most frequently prescribed Another major contribution of this volume is a group of tables showing the effects on male and female sexuality of a broad spectrum of drugs and physical illnesses The interrelationship of sexual dysfunction and marital discord contraindications for sex therapy the handling of psychiatric disorders in patient or partner and the qualifications of sex therapists are among the many ramifications of the new sex therapy which are analyzed by Dr Kaplan Evidence now suggests she says that sexual problems while they may of course be manifestations of profound emotional disturbance or mental illness are not invariably so but also commonly occur in persons who function well in other areas and have no other psychological symptoms For many patients the new brief forms of intervention are far more effective than the traditional psychiatric approaches In sum this is a comprehensive and highly professional volume which places treatment of the sexual dysfunctions on a solid scientific basis

Handbook of Sexual Dysfunctions William T. O'Donohue, James H. Geer, 1993 Following the taxonomy of sexual dysfunctions contained in the DSM III R brings together the best available information on the diverse sexual problems as well as describing the research agenda for the future Each chapter author writes on the psychopathology assessment and treatment of each disorder and also outlines important questions for future research For each group of dysfunctions desire arousal orgasm and pain disorders the handbook also contains a chapter written by a physician on the medical aspects of that group of dysfunctions Annotation copyright by Book News Inc Portland OR

Treating Sexual Distress Jane D. Woody, 1992-04-23 This book offers therapists an updated and expanded understanding of traditional sex therapy and the opportunity to sharpen clinical skills The author provides sex marital and family therapists with a detailed review of sexual distress and sex focused techniques and offers an integrated treatment format For other mental health professionals and trainees it serves as an introduction to the nature and treatment of sexual distress its historical precedents and current theoretical advances towards an integrative therapy for relationship and sexual problems Numerous case studies are used throughout

Treating Sexual Disorders Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Treating Sexual Disorders PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Treating Sexual Disorders PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Treating Sexual Disorders free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Treating Sexual Disorders Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
