the intellectual legacy of the exegesis of Qur an 4 24 which is used as the proof text for the permissibility of mut a temporary
marriage and asks if the use of verse 4 24 for the permissibility of mut a marriage is justified within the rules and regulations
of Qur anic hermeneutics Iqbal examines seventeen Qur an commentaries the chronological span of which extends from the
first extant commentary to the present day in three major Islamicate languages Iqbal concludes that doctrinal self identity
rather than strictly philological analyses shaped the interpretation of this verse As Western academia s first comprehensive
work concerning the intellectual history of mut a marriage and sexual ethics this work illustrates the power of sectarian
influences on how scholars have interpreted verse 4 24 This book is the only work in English that includes a plurality of
voices from minor schools Ibadi Ashari Zaidi and Ismaili largely neglected by Western scholars alongside major schools and
draws from all available sub genres of exegesis Further by revealing ambiguities in the interpretation of mut a this work
