

Victory Day

Benjamin Vaughan Abbott

Victory Day:

The Rhetorical Rise and Demise of "Democracy" in Russian Political Discourse Volume Four David Cratis Williams, Marilyn J. Young, Michael K. Launer, 2026-02-10 In this volume we focus on the years following Putin's return to the presidency in 2012. This has been a more active period than his first two terms including the annexation of Crimea and ultimately the invasion of Ukraine. Thus this period may be characterized as the run up to that war. The core issue discussed in this volume is Putin's redefinition of democracy as the foundation of society and government in the Russian Federation. Putin argues for a strong central government in which unity is characterized as the absence of dissent. In so doing Putin seeks to recast Russian national identity relying on a vision of Russia as the victim of Western aggression. Fluid Russia Vera Michlin-Shapir, 2021-12-15 Fluid Russia offers a new framework for understanding Russian national identity by focusing on the impact of globalization on its formation something which has been largely overlooked. This approach sheds new light on the Russian case revealing a dynamic Russian identity that is developing along the lines of other countries exposed to globalization. Vera Michlin Shapir shows how along with the freedoms afforded when Russia joined the globalizing world in the 1990s came globalization's disruptions. Michlin Shapir describes Putin's rise to power and his project to reaffirm a stronger identity not as a uniquely Russian diversion from liberal democracy but as part of a broader phenomenon of challenges to globalization. She underlines the limits of Putin's regime to shape Russian politics and society which is still very much impacted by global trends. As well Michlin Shapir questions a prevalent approach in Russia studies that views Russia's experience with national identity as abnormal or defective either being too weak or too aggressive. What is offered is a novel explanation for the so-called Russian identity crisis. As the liberal postwar order faces growing challenges Russia's experience can be an instructive example of how these processes unfold. This study ties Russia's authoritarian politics and nationalist rallying to the shortcomings of globalization and neoliberal economics potentially making Russia patient zero of the anti-globalist populist wave and rise of neo-authoritarian regimes. In this way Fluid Russia contributes to the broader understanding of national identity in the current age and the complexities of identity formation in the global world. *The Politics of Energy and Memory between the Baltic States and Russia* Agnia Grigas, 2016-03-03 Since the 1990s Baltic Russian relations have been amongst the most contentious on the European continent. Energy security concerns, historical legacies and the status of Russian minorities have all proved key flash points. Baltic Russian relations have been described as a litmus test of Russia's willingness to leave behind its imperialist ambitions simultaneously the policies of Tallinn, Riga or Vilnius towards Russia can have a direct impact on EU Russian and NATO Russian relations. The Baltic states share similar histories and resources and face the same geopolitical challenges. All are dependent on Russia for energy yet as this fascinating study reveals they have pursued very different foreign policies towards their powerful neighbour. In *The Politics of Energy and Memory between the Baltic States and Russia* Agnia Grigas provides an unprecedented analysis of contemporary Baltic

Russian relations and identifies the causal factors that drive the foreign policies of the Baltic states in such divergent routes Supported by case studies on the oil and gas sectors as well as the tug of history this book is an invaluable resource for scholars and policy makers The Routledge Handbook of Popular Music and Politics of the Balkans Catherine Baker,2024-07-10 The Routledge Handbook of Popular Music and Politics of the Balkans is a comprehensive overview of major topics established debates and new directions in the study of popular music and politics in this region The vibrant growth of this subject area since the 1990s has been intertwined with the region s political and socio economic transformations including the collapse of state socialism in much of the region the break up of Yugoslavia the advent of neoliberal capitalism the rise of Romani activism the complex politics of Europeanization before and after the global financial crisis and the region s relationship to the European Union border regime The handbook illustrates the wide range of disciplines and methods that contribute to this field s interdisciplinary dialogue and highlights emerging approaches such as the study of Black diasporas in the region popular music s links with LGBTQ communities and the impact of digital technologies on musical cultures This volume will benefit specialist researchers tutors creating or refreshing courses on popular music in the region and students interested in these topics especially those who are at the point of developing their own independent research projects **The Politics of War Commemoration in the UK and Russia** Nataliya

Danilova,2016-01-13 This book analyses contemporary war commemoration in Britain and Russia Focusing on the political aspects of remembrance it explores the instrumentalisation of memory for managing civil military relations and garnering public support for conflicts It explains the nexus between remembrance militarisation and nationalism in modern societies

World War II, Uncontrived and Unredacted: Testimonies from Ukraine Vakhtang Kipiani,2021-11-22 The war separated families took lives broke fates It is very important to know and remember it at any time Even many decades later new details memories and testimonies appear This book gathers several fascinating true family stories written from accounts of parents grandparents etc The authors whose articles were collected with the help of the popular scientific publication Historical Truth tell us about the worst war of the 20th century about the fate of those people whose lives were divided forever into before and after Here we can find first hand accounts about Ukrainians who fought in various armies about the lives of deported people about the fate of people taken to compulsory labor camps and about the men and women who remain in our memories forever Appearances of Soviet Leaders ,1973 The Painter and Decorator ,1918 **United**
