So Soft Kitty:

Rusty Yvonne Almeida, 2019-06-27 There were so many reasons to believe Rusty was no ordinary cat He hated cat toys But he would play all day with trains that ran on a track and made sounds He made vocal sounds more like human language than catcalls And on April 3 2014 he made a vocal cry so loud that he saved a life His owner his MA MMA was about to leave him forever And with God s hand Rusty knew just what to do to save her After that Rusty s owner started to realize that he wasn t just a gift from God but was the most spectacular of gifts She had always believed in angelsguardian angels to be more specificand now realized hers was a little orange cat with the sweetest face ever There was no other explanation for this cat s amazing perceptiveness Others had made comments about Rusty and how astute he was how he seemed to have a mind that didn t operate like he was just a cat Things started to fall into place to support the idea that he had a mission in this life and most impressively Rusty knew how to accomplish that mission His start in life could not have been more unhappy or heartbreaking yet he prevailed through life as if he was the luckiest little guy ever born This is the story of how one cat brought God and faith back to a darkened soul saved a life minutes from leaving this world and even through his own health dilemmas created friendships and stories to last a lifetime You ve lost a therapy pet a service cat in my opinion He helped you navigate MS and helped you through the illness and deaths of your parents God sent him to you as a furry angel here on earth to support you Dr Carolyn Anderson
