**How to Make Money Online by Selling eBooks** Bri, 2015-05-09 There has never been a better time to be a freelance writer than now Not only are you able to write articles and content that appear in newspapers and magazines for money but there are also numerous opportunities to write content that will appear on the web Websites are always looking for good writers to write their content and companies constantly advertise for writing jobs Another great and increasingly popular way to make money online is by selling eBooks The greatest thing about selling eBooks online is that you create the opportunity to generate a steady revenue The internet

has vast amounts of information Ask yourself the number of times you browse the web in search for information While there is a lot of convenience associated with gaining access to so much information there is a downside to it How can you separate the good from the bad How are you able to find the specific pieces of information you want And how will you be able to find thorough and detailed information instead of general information that the internet generally provides eBooks can be a possible answer eBooks contain information that is detailed and well organized about particular topics An eBook tends to dwell on the details of that particular niche For example if you look on the internet for football scholarships you could come across several websites on the topic but you could save yourself time and energy if you were to download a document that contained all the information laid out efficiently for you If you are an entrepreneur you could make money writing and selling eBooks on a variety of topics It also doesn't require a lot of time to do so So let's get started Pyjama Profit Varun Mayya, Abhinav Chhikara, 2018-07-18 Pyjama Profit is a guide for millennials to get started with a self-sustained online freelance practice while developing their skills needed to succeed The book talks about in-demand online skills and the different paths one can take to become an expert in these fields A stable income from freelancing in college was the bedrock that had allowed the authors to explore their ambitions further and get to where they are today In the process they've worked with many of their own batch mates, colleagues, and friends to help them set up highly successful freelance careers The author duo decided to detail their story of what worked for them and how anyone in the country could thrive without being tied down to a full-time job The authors feel the timing of the book is perfect because of the growing freelance economy and growing aspirations among millennials to find a job they love and not just something that pays their bills
