Slayers Volume 1 Hajime Kanzaka,2004-09-07 The novel that inspired the hit anime Cover **Queen of the Slayers**
Nancy Holder,2005-06 There is no time for Buffy to take a vacation and she could be facing death because there is a lot of evil in the world Portal Through Time Alice Henderson,2006-11-28 Buffy thought she d finished the Master when she dusted him But in Sunnydale things have a way of coming back The Master may be dead but he is not forgotten One of the vampire lord s devotees sets out to alter the past so that he can resurrect the Master without Buffy s meddling When he conjures up a portal to transport his minions through time the vampires are poised to murder the most powerful slayers in history It is up to the Scoobies to stop the Master s followers before they break the chain of slayers Giles Xander Willow and Buffy pursue the vamps back in time through the portal to save the slayers of the past They must track the bloodsuckers from the French Revolution to the American Civil War without getting detected or worse But you can t change the past without changing the present Bad Bargain Diana G. Gallagher,2007-02-26 Off the rack gives me hives Cordelia Out of Mind Out of Sight The Scoobies are used to being personally affected when demonic nasties come to Sunnydale And they re used to strange things happening at Sunnydale High after all the place is built over the Hellmouth But they ve sealed the Hellmouth so they don t think anything s out of the ordinary when items to be sold at the first annual band fund raising rummage sale are stored in the school basement which one might recall is directly above that Hellmouth Once the rummage sale begins it s clear the stuff for sale is far from ordinary People seem to be strangely affected by the items they re buying things from undemonic homes donated by undemonic people So the reactions these items are producing are to say the least unexpected Willow s acting weird So s Xander And even Buffy s mom bought something The situation quickly spins out of control and the school has to be quarantined leaving Buffy and Giles to sort things out before whatever demon this is sells them down the river Spark and Burn Diana G. Gallagher,2005-08-01 What is the true measure of a champion In the nineteenth century a boy named William was born A sweet gentle boy no one could have guessed the suffering he d cause the pain he d inflict When as a young man he meets a woman called Drusilla a strange woman a woman unlike anyone William has ever known he is fundamentally changed She has turned him There will be no more William He is Spike now As Spike he travels Europe with a band of vagabond vampires Dru Darla and Angelus instruct him on his new nature and from them he learns about that greatest of vampiric enemies the girl who is chosen to stand up against them trained to kill them endowed with the strength it takes to defeat them the Slayer Then and there Spike decides he ll hunt down those slayers He ll see how many he can find Who would have thought then that he d fight on the Slayer s side Who would have guessed that Spike once William would go out and seek his soul for a slayer Who would have dared dream he d fall in love with one Dark Congress Christopher Golden,2007-08-28 Since the beginning of time the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future This centennial event was called the Dark Congress In the second century b

c however the Dark Congress failed to resolve their conflicts Instead the Congress ignited into a war that drove wedges between the various demon races from that time until now And all of it began as a result of Kandida the great North African river demon being nearly killed by forces in the Congress and magically entombed in the riverbank But now Kandida is free and for the first time in centuries the Dark Congress is being called again All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence Rhode Island Some gather in hopes of resolution some in favor of war and Kandida is tasked to broker a treaty and guide the Congress to peace wherein everyone might simply agree to disagree And so the demons gather under a banner of a truce But the demons still harbor many bitter disagreements with one another The Congress must have an arbiter of these conflicts and that someone is Buffy Summers Buffy is horrified and disgusted to be included After all she is not a demon is she She knows so little about her powers that she cannot say for certain where they truly spring from How can she spend so much time wallowing in the darkness without becoming part of it Can she possibly agree to a truce with all the horrors of the world and allow them to come Providence without any attempt to stop them And does she have a choice
