Reflexivity in Love A Self-Reflexive Portrait of the Little Flower of Jesus Fr. Emmanuel Javert Nnadozie OCD, 2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese s spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God s Word and God s grace hidden in the events of her life The book shows how through self reflexivity and meditation on God s Word she discovered her vocation as love in the heart of the Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God s grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual s spiritual life in the events of daily life irrespective of their individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese s simple humble and

confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key **Skinny Legs and All** Tom Robbins, 2003-06-17 An Arab and a Jew open a restaurant together across the street from the United Nations It sounds like the beginning of an ethnic joke but it's the axis around which spins this gutsy fun loving and alarmingly provocative novel in which a bean can philosophizes a dessert spoon mystifies a young waitress takes on the New York art world and a rowdy redneck welder discovers the lost god of Palestine while the illusions that obscure humanity's view of the true universe fall away one by one like Salome's veils **Skinny Legs and All** deals with today's most sensitive issues race politics marriage art religion money and lust It weaves lyrically through what some call the end days of our planet Refusing to avert its gaze from the horrors of the apocalypse it also refuses to let the alleged end of the world spoil its mood And its mood is defiantly upbeat In the gloriously inventive Tom Robbins style here are characters phrases stories and ideas that dance together on the page wild and sexy like Salome herself Or was it Jezebel

The Log of the Sun William Beebe, 2013-06-09 IN the fifty two short essays of this volume I have presented familiar objects from unusual points of view Bird's eye glances and insect's eye glances at the nature of our woods and fields will reveal beauties which are wholly invisible from the usual human view point five feet or more above the ground Who follows the lines must expect to find moods as varying as the seasons to face storm and night and cold and all other delights of what wildness still remains to us upon the earth **Practical Parenting for the 21st Century** Julie A.
