Sleeping With An Angel:

Angel Magic Cassandra Eason,2010-04-01 In the frantic modern world many people want to discover easy ways to improve the harmony of their lives reduce stress and resolve problems ANGEL MAGIC is a delightful user friendly guide to angels for busy people providing inspiration and guidance in an easily accessible format Based in ancient tradition the power of angels can be used to benefit you in many different ways Cassandra reveals Angels to guide and inspire in every aspect of your life including love prosperity and career Advice on how to contact specific angels for specific situations Ways to work with angels for healing protection and wellbeing A list of 250 named angels with explanations on how they relate to the modern world and the individual s needs This delightful user friendly guide to angels also makes a perfect gift *Blue Ashes* Jean-Paul Daoust,1999 Few taboos are left to incorporate into the literature of the gay world Nearly everything has been said sensationalized exploited done and redone sometimes well sometimes self indulgently But one taboo sex between adults and children has received little attention from serious writers for a very good reason most people gay or otherwise find it morally repugnant Incredibly Jean Paul Daoust has turned a relationship of this kind into hypnotic poetry The book is unique in its sensitivity to a universe of forbidden love and sex between a man in his early twenties and a boy of six and a half years The boy s age is used like a leitmotif recurring on nearly every page of the poem as though to remind the reader of how unique the experience is whether between straight persons or gay Because of the critical age difference between manhood and childhood it is not just another love story It is an epic melodrama of passion love betrayal and cruelty that is related here in obsessive often hallucinatory poetry but more importantly it is all seen through the eyes of a child who is not only a victim as we might readily suppose but an aggressor as well Gay literature will never be the same after this book Daniel Sloate
