**Nila Banton Smith**

## **Snow Pumpkin:**

*Snow Pumpkin* Carole Lexa Schaefer, 2002-09-01 Because of just a few inches of snow Lily is out of school and on her way to the park to find her friend Jesse and build the season's first snowman. However, everyone is building snowmen and there's not enough snow for Lily and Jesse to finish. Then Lily gets an idea. Illustrations ***Snow Pumpkin*** Carole Lexa

Schaefer, 2000 When it snows in October two friends build a snowman using a pumpkin as its head ***History of Seneca County, from the Close of the Revolutionary War to July, 1880*** William Lang, 1880 *A to Zoo* Rebecca L.

Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal catalog subject terms, to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles. *Tip of the Iceberg* Larry O'Connor, 2002 The Canadian author and journalist shares his love affair with the wind-swept Arctic northern regions of his country, paralleling his interest in the north with his own chilly familial relationships, especially with his own father.

***Outing***, 1921 ***Snow Angels*** Sophia Watson, 2016-02-17 This is the first book in a mini-series about cyber crime and Cyber Vigilantes within the Silver Lake mysteries. Jake Wheeler has been a major cyber criminal, a teenage genius and computer prodigy, a hacker and darknet webhost, the victim of a copter crash on the cliffs of Scottish Highlands, an honorary member of Anonymous, an FBI fugitive. Then, possibly an FBI informant, Jacob Wheeler had begun life as a lonely boy, small for his age and too intelligent to be popular. He was a little socially inept, Jake was bullied in school and in his neighborhood and took solace in his computers. As an adult, his skill at programming brought him into contact with the wrong crowd. He became an ace hacker. His life was about to change. *Best Friends Forever: Volume 1* William J. Smith, 2017-07-25 Many times children have been born on the same day, even if they are in no way related, but rarely are they born at precisely the same time at the same hospital to two different mothers, but that was the case with Amanda Thompson and her close friend Sarah Smith, who had little girls born at the exact same time at the same exact hospital on July 16, 2016, and not surprisingly, not only are the two Mommies close friends, but their two baby girls quickly become BFF's. *Best Friends Foreve* *Extension*
