

Stalins Generals

Seweryn Bialer

Stalins Generals:

Stalin's Generals Harold Shukman,2002-03 A star cast of distinguished contributors including Dmitri Volkogonov John Erickson Catherine Andreyev David Glantz and Oleg Rzheshesky paint a crucial portrait of a defining period in world history Unlike most military history which usually deals with large scale army movements and campaign strategy this looks at the training experience and personalities of the generals themselves The result is illuminating revealing how 25 men succeeded in taking Stalin from the Volga to Berlin

Stalin's Wars Geoffrey Roberts,2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin s leadership from the outbreak of the Second World War in 1939 to his death in 1953 Making use of a wealth of new material from Russian archives Geoffrey Roberts challenges a long list of standard perceptions of Stalin his qualities as a leader his relationships with his own generals and with other great world leaders his foreign policy and his role in instigating the Cold War While frankly exploring the full extent of Stalin s brutalities and their impact on the Soviet people Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long term detente with the capitalist world By means of an integrated military political and diplomatic narrative the author draws a sustained and compelling personal portrait of the Soviet leader The resulting picture is fascinating and contradictory and it will inevitably change the way we understand Stalin and his place in history Roberts depicts a despot who helped save the world for democracy a personal charmer who disciplined mercilessly a utopian ideologue who could be a practical realist and a warlord who undertook the role of architect of post war peace

Stalin's General Geoffrey Roberts,2012-06-05 Widely regarded as the most accomplished general of World War II the Soviet military legend Marshal Georgy Zhukov at last gets the full scale biographical treatment he has long deserved A man of indomitable will and fierce determination Georgy Zhukov was the Soviet Union s indispensable commander through every one of the critical turning points of World War II It was Zhukov who saved Leningrad from capture by the Wehrmacht in September 1941 Zhukov who led the defense of Moscow in October 1941 Zhukov who spearheaded the Red Army s march on Berlin and formally accepted Germany s unconditional surrender in the spring of 1945 Drawing on the latest research from recently opened Soviet archives including the uncensored versions of Zhukov s own memoirs Roberts offers a vivid portrait of a man whose tactical brilliance was matched only by the cold blooded ruthlessness with which he pursued his battlefield objectives After the war Zhukov was a key player on the geopolitical scene As Khrushchev s defense minister he was one of the architects of Soviet military strategy during the Cold War While lauded in the West as a folk hero he was the only Soviet general ever to appear on the cover of Time magazine Zhukov repeatedly ran afoul of the Communist political authorities Wrongfully accused of disloyalty he was twice banished and erased from his country s official history left out of books and paintings depicting Soviet World War II victories Piercing the hyperbole of the Zhukov personality cult Roberts debunks many of the myths that have sprung up around

Zhukov's life and career to deliver fresh insights into the marshal's relationships with Stalin, Khrushchev, and Eisenhower. A remarkably intimate portrait of a man whose life was lived behind an Iron Curtain of official secrecy. Stalin's General is an authoritative biography that restores Zhukov to his rightful place in the twentieth-century military pantheon. *Stalin and His Generals* Seweryn Bialer, 1970 **Stalin and His Generals** Seweryn Bialer, 1984 *Stalin and His Generals* Seweryn Bialer, 1984 *Stalin* Simon Sebag Montefiore, 2007-12-18 NATIONAL BESTSELLER This widely acclaimed biography of a Soviet dictator and his entourage during the terrifying decades of his supreme power transforms our understanding of the Marxist leader and Russian tsar. From the bestselling author of *The Romanovs*, the first intimate portrait of a man who had more lives on his conscience than Hitler. Disturbing and perplexing. *The New York Times Book Review*. Based on groundbreaking research, Simon Sebag Montefiore reveals the fear and betrayal, privilege and debauchery, family life and murderous cruelty of this secret world. Written with bracing narrative verve, this feat of scholarly research has become a classic of modern history writing. Showing how Stalin's triumphs and crimes were the product of his fanatical Marxism and his gifted but flawed character, this is an intimate portrait of a man as complicated and human as he was brutal and chilling.

The Battle of Kursk David M. Glantz, Jonathan Mallory House, 1999 A study of the Battle of Kursk at Prokhorovka, one of the largest tank engagements in world history which led to staggering losses including nearly 200,000 Soviet and 50,000 German casualties within the first ten days of fighting. Drawing on both German and Soviet sources, David M. Glantz and Jonathan M. House seek to separate myth from fact to show what really happened at Kursk and how it affected the outcome of World War II. Their access to Soviet archive material adds detail to what is known about this conflict, enabling them to reconstruct events from both perspectives and describe combat down to the tactical level. [Zhukov's Greatest Defeat](#) David M. Glantz, 1999 One of the least known stories of WWII was Operation Mars, a Soviet operation designed to dislodge the German Army from its position west of Moscow. This account of a catastrophe censored from postwar Soviet histories reveals key players and details major events using sources in German and Russian archives to reconstruct the historical context of Operation Mars and review the entire operation from High Command to platoon level. Includes bandw photos and maps. Annotation copyrighted by Book News Inc, Portland, OR. [Stumbling Colossus](#) David M. Glantz, 1998 Drawing on evidence never before seen in the West, including combat records of early engagements, David Glantz claims that in 1941 the Red Army was poorly trained, inadequately equipped, ineptly organized, and consequently incapable of engaging in large-scale military campaigns, and both Hitler and Stalin knew it. He provides a complete and convincing study of why the Soviets almost lost the war that summer, dispelling many of the myths about the Red Army that have persisted since the war and soundly refuting Viktor Suvorov's controversial thesis that Stalin was planning a preemptive strike against Germany. **Red Storm Over the Balkans** David M. Glantz, 2007 The leading expert on Soviet military history resurrects a failed World War II campaign that the official Russian history seeks to erase from memory. Reconstructing the Red Army's first invasion of Romania in the

spring of 1944 Glantz shows that despite the campaign's abysmal failure it provided a clear indication of Stalin's strong interest in the Balkans and further damaged the German army's ability to stop the Soviet war machine in its drive toward Berlin

Stalin H. Montgomery Hyde, 1982-03-21 Stalin's Secret War Robert W. Stephan, 2004 An animated adaptation of the story of the same title by Maurice Sendak in which a small boy makes a visit to the land of the wild things Tells how he tames the creatures and returns home For primary grades

When Titans Clashed David M. Glantz, Jonathan Mallory House, 1995 By the time Pearl Harbour had ripped apart America's peacetime pretensions the German blitzkrieg had already blasted the Red Army back to the gates of Moscow Yet less than four years later the Soviet hammer and sickle flew above the ruins of Berlin stark symbol of a miraculous comeback that destroyed the German army and shattered Hitler's imperial designs

The World Almanac and Book of Facts, 1942 Lists news events population figures and miscellaneous data of an historic economic scientific and social nature

The Life & Times of Joseph Stalin Ian Schott, 1994 Stalin Dmitriï Antonovich Volkogonov, 1992 A definitive account of the life and political career of ruthless Soviet leader Joseph Stalin

Stalin Embattled, 1943-1948 William O. McCagg, 1978

Russian War Films Denise Jeanne Youngblood, 2007 A panoramic survey of nearly a century of Russian films on wars and wartime from World War I to more recent conflicts in Afghanistan and Chechnya with heavy emphasis on films pertaining to World War II

Hitler and Stalin Alan Bullock, 1998 Hitler and Stalin never met This book interweaves their lives chronologically chapter by chapter often paragraph by paragraph Bullock has added revisions to take account of the revelations from the newly opened Kremlin archive
