Willbanks, 2017-11-16 This detailed two volume set considers the Vietnam War one of America's longest and bloodiest wars from a topical perspective addressing the main characters and key events of the war and supplying many relevant primary source documents The Vietnam War not only claimed the lives of nearly 60 000 Americans and more than a million Vietnamese but the prolonged conflict also resulted in a firestorm of protest at home that shook the foundations of the country and made U S citizens question the moral principles and motivations behind our foreign policy and military actions Written in a very accessible style by recognized authorities on the war Vietnam War A Topical Exploration and Primary Source Collection provides students and general readers with a complete overview of the conflict in Vietnam a broad topic that remains an important part of the American history and world history curriculum Using a topical approach to cover all aspects of the war the set enables students to see the complete picture of the conflict through its presentation of reference entries and documents arranged in cohesive compelling chapters Examples of the primary documents in the set include Communist Party Evaluation of the Tet Offensive 1968 and President Richard Nixon's Speech on Vietnamization 1969 These primary sources are augmented by oral histories of soldiers who fought in the Tet Offensive Additionally maps and images in each section enhance the aesthetic appeal of the book and heighten students' understanding of the material Readers will come away with both a strong comprehension of the Vietnam War as well as an appreciation for how significant this proxy conflict was as a lead up event to the global Cold War
