## Step Into Sales:

**First Steps in SAP® S/4HANA Sales and Distribution (SD)** John von Aspen, 2020-02-13 This book offers a comprehensive introduction to SAP S/4HANA Sales and Distribution (SD). You will learn the basic fundamentals of SAP SD with examples based on a case study approach. Using a fictional company scenario, you will learn the fundamentals of the order to cash process and key flow from sales order delivery to billing document. Explore the foundational document: the sales order. Obtain detailed information on master data and how it is used in SD. Dive into master data objects: business partners and material masters. Review how master data is connected to sales orders and pricing. Understand sales order processing including item categories, availability checking, dates, shipping texts, and more. Walk through delivery processing and billing. Familiarize yourself with two of the major SD pre-sales documents: contracts and quotations. Delve into the post-sales processes including returns, service, and debit and credit memos. Look at transactional list reports and analytical reports. For readers who are new to SAP SD in S/4HANA, the detailed case study, practical examples, tips, and screenshots quickly bring readers up to speed on the fundamentals. Foundations of SAP SD in S/4HANA: Sales orders and document types, Master data objects, business partners, and material masters. Examples and screenshots based on a case study approach. Artificial Intelligence in Sales Manuel Beck, 2025-06-23 This book provides a practical introduction to the application and implementation of Artificial Intelligence (AI) in sales organizations. The author demonstrates how companies can generate a significant competitive advantage through the targeted use of AI in sales. Step by step, he explains the innovative possibilities offered by various types and methods of AI throughout the entire sales cycle and how they can be applied at key customer touchpoints from lead generation and qualification to outreach and conversation support, as well as presentation, proposal creation, negotiation, customer care, and onboarding. Both classical and generative AI tools are examined. Numerous use cases are presented, and specific prompting suggestions for AI-supported work with ChatGPT and other generative language models are provided. A comprehensive selection of real providers of the presented AI solutions for each phase of the sales cycle offers direct points of reference for practical implementation in your company. A compact and immediately applicable guide for modern, forward-looking sales. **99 Things You Wish You Knew Before Going Into Sales** Victor Antonio, 2010-10 Let's face it: today's consumers have access to information and are often times just as well-informed as you, the seller.
