T. Coffin, 1996 As he walks to school one morning Billy Carne discovers a mysterious crack in the sidewalk that is growing and threatens to swallow someone alive

instance many people wouldn't bother tossing spilled salt over their left shoulder or avoid walking under a ladder. But they happily continue to wear a wedding ring and blow out candles on a birthday cake. They don't know why it's just a custom. But both are actually superstitions. In a book full of surprises and revelations, Max Cryer explains the origins of many of the things we commonly say and observe and why we continue to include them in our lives: kissing under the mistletoe, the unlucky number thirteen, the significance of the bridal bouquet, saying "bless you" after sneezing, the hanging of a horseshoe, the Scottish play, the danger in opals, the Leap Year proposal. So many aspects of our lives are coloured by superstition. Now you can discover the reasons for them in a book that is both witty and informative. *Superstitions* will provide many Eureka moments and settle many family disputes. *Superstition and Education* Fletcher Bascom Dressler, 1907. *Monsters on the Sidewalk* Jeanne Olufson, 2019-11-07. Sidewalks have crisscrossed my life like circuits on a computer chip. Only the Master Designer knows where the intricate patterns lead. Some sidewalks still await my feet. Others I have been dragged over whether I wanted to be or not. Author *Monsters on the Sidewalk* is unique not only because it dramatizes a mother's abandonment, a father's oppression, and a stepmother's brutality, but it also paints a picture of a grandparent's love and what good parenting looks like. The reader is able to distinguish between the two. Readers can judge between the positive effects of humor and love and the negative effects of demeaning words and violent actions upon the mind of a child. The book will also engender hope for survivors, victors, and show that the cycle of abuse can stop in their lives, sparing the next generation. The brighter light we shine on maltreatment, the greater chance we have to slow its growth. Child abuse. It's everywhere.
