Unlikely Allies: 8 Steps to Bridging Divides That Impact Leadership Helen Blocker-Adams, 2010-10-04 The level of venom the intensity and frequency of the readers rants in the daily newspaper compelled the publication's news reporter to call me for an interview Some of the language in the rants was so graphic they were unsuitable for print he said Wow They were talking about me Have you ever felt like you've been hit by a brick or punched in the stomach Well that is how I felt at that particular moment when he shared the comment with me In spite of the graphic description that some people had of me it's important to stay true to who you are I've lived my life being optimistic and positive building bridges nurturing relationships working with diverse groups of people serving others communicating and providing effective and proven leadership oftentimes under duress uncertainty limited resources and being misunderstood This book will show you how I did it and how you can overcome negative publicity adversity challenges and develop leadership skills that will impact your life and others for years to come
