Steps To Understanding:

Elementary Steps to Understanding, 1980 *Seven Easy Steps to Understanding the Book of Revelation* Dr. Randy Lankford, 2026-01-27 The book of Revelation is probably the most misunderstood and mistaught book in the Bible if you can even get someone to read it Even most pastors don t understand it or teach from this book I believe in my heart that if you give this book to your pastor or priest it could lead to an eye opening understanding enabling him to show his congregation how God intended it to be taught to His people Seven Easy Steps to Understand the Book of Revelation is exactly what the title says a simple way to understand the book by using the number 7 Fifty four times in the book of Revelation God uses His holy number to show His perfection completion and fulfillment both for your life and your future by revealing His plans for what is to come The end times don t have to be scary when you know you are part of God s plans and understand what is to come and who is coming The teaching of the seven divisions in this book will be an epiphany a lightbulb moment as you see how God reveals what He truly wants you to understand through these divisions The seven year tribulation is just one of the seven divisions in the book of Revelation but everyone seems to focus on the Antichrist and his number 666 as if that s all the book is about It s not The book of Revelation is all about Jesus Christ His 31 judgments and His relentless efforts to save you When you learn about these seven divisions you will be as amazed as I was when I first saw them Teaching them was a revelation it had been right in front of me the whole time Jesus Christ laid out the book of Revelation in such a simple way but humanity has made it seem difficult or even impossible to understand It is not My greatest desire is for you to pick up this book and not be able to put it down until you know all seven of God s divisions and understand how much GOD LOVES YOU
