Who Was Steve Jobs? Pam Pollack,Meg Belviso,2012 Examines the life and accomplishments of computer industry pioneer Steve Jobs a founder of Apple Computer Inc [Steve Jobs](#) Walter Isaacson,2021-10-05 Walter Isaacson s enthralling The New Yorker worldwide bestselling biography of Apple cofounder Steve Jobs Based on more than forty interviews with Steve Jobs conducted over two years as well as interviews with more than 100 family members friends adversaries competitors and colleagues Walter Isaacson has written a riveting story of the roller coaster life and searingly intense personality of a creative entrepreneur whose passion for perfection and ferocious drive revolutionized six industries personal computers animated movies music phones tablet computing and digital publishing At a time when America is seeking ways to sustain its innovative edge Jobs stands as the ultimate icon of inventiveness and applied imagination He

knew that the best way to create value in 21st century was to connect creativity with technology He built a company where leaps of the imagination were combined with remarkable feats of engineering Although Jobs cooperated with the author he asked for no control over what was written He put nothing off limits He encouraged the people he knew to speak honestly And Jobs speaks candidly sometimes brutally so about the people he worked with and competed against His friends foes and colleagues provide an unvarnished view of the passions perfectionism obsessions artistry devilry and compulsion for control that shaped his approach to business and the innovative products that resulted Driven by demons Jobs could drive those around him to fury and despair But his personality and products were interrelated just as Apple s hardware and software tended to be as if part of an integrated system His tale is instructive and cautionary filled with lessons about innovation character leadership and values Steve Jobs is the inspiration for the movie of the same name starring Michael Fassbender Kate Winslet Seth Rogen and Jeff Daniels directed by Danny Boyle with a screenplay by Aaron Sorkin *Steve Jobs The Man Who Thought Different* Karen Blumenthal,2012-02-16 _____ Through original interviews a smart use of source material and a wonderfully easy going style Blumenthal gives a full portrait of Jobs This is a smart book about a smart subject by a smart writer Ilene Cooper American Library Journal _____ Inventor Visionary Genius Dropout Adopted Steve Jobs was the founder of Apple and he was all of these things Steve Jobs has been described as a showman artist tyrant genius jerk Through his life he was loved hated admired and dismissed yet he was a living legend the genius who founded Apple in his parent s garage when he was just 21 years old revolutionising the music world He single handedly introduced the first computer that could sit on your desk and founded and nurtured a company called Pixar bringing to life Oscar winning animations Toy Story and Finding Nemo So how did the man who was neither engineer nor computer geek change the world we live in making us want every product he touched On graduation day in 2005 a fifty year old Steve Jobs said Today I want to tell you three stories from my life That s it Just three stories The first story is about connecting the dots My second story is about love and loss My third story is about death This is his story Critically acclaimed author Karen Blumenthal takes us to the core of this complicated and legendary man from his adoption and early years through to the pinnacles of his career his dismissal from his duties at Apple for being too disruptive and difficult to the graduation where he gave the commencement speech just 6 years before his death giving life to what were soon to become some of most famous quotes of his career ending with the message Stay Hungry Stay Foolish I have always wished that for myself And now as you graduate to begin anew I wish that for you Your time is limited so don t waste it living someone else s life **Steve Jobs (a True Book: Biographies)** Josh Gregory,2013 Highlights the life and accomplishments of the co founder and long time CEO of Apple Computers and former CEO of Pixar **Steve Jobs** Jane H.
