**JL Elias**

## **Still Following Percy:**

**Still Following Percy** Lawson, Lewis A.,1996 In *Still Following Percy* a collection of interrelated essays Lewis Lawson studies the Percy canon to speculate that an earlier and more fundamental shaping of Walker Percy's character and fictional imagination was his sense of the inadequacy of the relationship which he as an infant had with his mother and of her early death Lawson argues that the sense of loss led to Percy's tendency to regression to his need to create his own life narrative in fiction after psychoanalysis had been insufficient as a means of reconstruction and to his conversion to Roman Catholicism Lawson interprets Percy's conversion as a statement of the possibility of reconciliation through the transcendent truth

Still Following Percy Lewis A. Lawson,2007-11-19 When critics first began to respond to the fiction of Walker Percy they frequently regarded it as a fiction of ideas The most significant themes were Percy's religious philosophical and cultural beliefs Such conceptions of the man were grounded in his own essays a genre which in his hands tended toward the impersonal and the abstract In time Percy critics like William Rodney Allen began to probe into Percy's biography for resources that verified their intense critical speculations about the background of Percy's fiction In his childhood was his father's suicide and its significant emergence in his fiction Percy's biographers have continued this investigation of the father's influence Jay Tolson deftly represent the theme of the paternal death as a vacuum Percy felt throughout his life while Bertram Wyatt Brown studied the Percy family ethos which he showed to be shadowed for two hundred years by high expectations depression and self destruction Now in *Still Following Percy* a collection of interrelated essays Lewis Lawson studies the Percy canon to speculate that an earlier and more fundamental shaping of Walker Percy's character and fictional imagination was his sense of the inadequacy of the relationship with he as an infant had with his mother and of her early death Lawson argues that the sense of loss led to Percy's tendency to regression to his need to create his own life narrative in fiction after psychoanalysis had been insufficient as a means of reconstruction and to his conversion to Roman Catholicism Lawson interprets Percy's conversion as a statement of the possibility of reconciliation through the transcendent truth

Walker Percy's Sacramental Landscapes Allen Pridgen,2000 Sometimes oblivious to the sacramental signs of life sometimes clear eyed both Will at the end of *The Second Coming* and Tom at the end of *The Thanatos Syndrome* finally assent to the wondrous possibilities these signs signify They begin to believe in the possibilities for a life that waits for them on the horizon and down the road **BOOK JACKET** **Walker Percy's Voices** Michael Kobre,2000 Walker Percy's novels are fraught with characters struggling toward a destiny and purpose in life who must sort through conflicting inner voices and the voices of family friends therapists and mentors until they finally find their own paths Through trial error and retrial Percy's characters continuously reinvent themselves struggling until they reach solutions satisfaction and maturity In this multifaceted work Michael Kobre analyzes Walker Percy's major fiction works *The Moviegoer* *The Last Gentleman* *Love in the Ruins* *Lancelot* *The Second Coming* and *The Thanatos Syndrome* in terms of the Russian philosopher and literary scholar

Mikhail Bakhtin's critical theory Kobre begins with an introduction to Percy's view of language and consciousness and a clear accessible explanation of Bakhtin's ideas His subsequent discussion of the novels connects each work in turn with Percy's advancing career and explores the deepening conflict in Percy's fiction between his desire to express his own religious and moral beliefs and his commitment to the essential freedom of his art the play of many voices in his narratives

**Handbook of Literary Apologetics** Thomas L. Martin, 2025-08-18 Literature's probative force travels across the realm of sense in this world to what lies beyond it When we speak of what is beyond our grasp in this world we think most immediately of the world of the spirit Shakespeare famously celebrates literature's power to explore the forms of things unknown How many great works of literature guide us through a familiar world to the edge of the spiritual unknown Not only Shakespeare but Dante Milton Dostoevsky Hopkins Eliot O'Connor and many others in these pages carry us there This book follows their quest Literary apologetics is the study of the characteristic moves by the authors who take readers on their journey of faith with them Most notably that tradition begins with Latin authors spreads across Europe in a continuous literary culture and extends over world literature to the present day While early apologetics is proclamation rhetoric philosophy and poetry above all it is witness to the faith manifesting itself in time The early faith community produces a distinct literary culture as Christian witness takes all these forms and more From then until now this kind of literature probes ultimate questions adumbrates numinous experience and extrapolates ethical outcomes of Christian teachings across a wide variety of literary forms The Handbook of Literary Apologetics provides an authoritative introduction to the scope of this tradition and its major figures

Walker Percy's Search for Community John F. Desmond, 2004 In this criticism of Percy John F. Desmond traces the writer's enduring concerns with community These concerns Desmond argues were grounded in the realism of such Scholastics as Aquinas and Duns Scotus
