Seitz, 2014-09-30 The Brazos Theological Commentary on the Bible advances the assumption that the Nicene creedal tradition in all its diversity provides the proper basis for the interpretation of the Bible as Christian scripture The series

encourages readers to extend the vital roots of the ancient Christian tradition to our day In this addition to the acclaimed series renowned scholar Christopher Seitz offers a theological exegesis of Colossians bringing his expertise in canonical reading to bear on his interpretation of this Pauline letter As with other volumes in the series the book is ideal for those called to ministry Colossians & Philemon Nicholas Thomas Wright, 2009 **Verse by Verse Commentary of Colossians** DR. PAUL CRAWFORD, 2026-01-01 Introduction to Verse by Verse Commentary of Colossians The Book of Colossians is one of the most Christ centered books in the entire Bible Written by the Apostle Paul while he was a prisoner in Rome c A D 60 62 it was sent to a small relatively insignificant city in the Lycus Valley of Asia Minor modern day Turkey Though Colossae was not a major metropolis like Ephesus or Rome it was the site of a dangerous philosophical virus known as the Colossian Heresy This heresy was a syncretistic mix of Jewish legalism Greek philosophy and early Gnosticism that suggested Christ was not enough Paul writes this letter with one singular thunderous purpose to declare the absolute supremacy and sufficiency of Jesus Christ The Colossian Heresy Christ Plus The false teachers in Colossae were telling the young church that while Jesus was good they needed something more to be truly spiritual This included Legalism Strictly following Jewish dietary laws and festivals Mysticism The worship of angels and seeking secret knowledge Asceticism Harsh treatment of the body to gain spiritual favor Paul counters this by arguing that in Christ all the fullness of God was pleased to dwell 1 19 If you have Christ you have everything The Christ Hymn The Preeminence The theological peak of the letter is found in Chapter 1 15 20 This passage is a majestic poem or hymn that describes Christ s relationship to both creation and the Church In this section Paul identifies Jesus as The Image of the Invisible God He makes the Father known The Firstborn of all Creation He holds the rank of supreme authority over everything made The Sustainer In him all things hold together The Head of the Body The source of life for the Church Structural Overview Christ s Person and Power Colossians follows a logical Head to Body structure the first half establishes who Christ is and the second half explains how that reality changes how we live Key Doctrine 1 2 The Supremacy of Christ Christ is the Head Beware of empty philosophies Practice 3 4 The Sufficiency of Christ Christ is our Life Put on the new self Key Themes and Distinctives All in All Paul s favorite theme here is that Christ is all and in all 3 11 There is no area of life where He is not sovereign Mystery Revealed Paul speaks of the mystery which is Christ in you the hope of glory 1 27 The Household Codes Similar to Ephesians Paul provides instructions for families and workplaces but here the focus is specifically on doing everything in the name of the Lord Jesus 3 17 The Finished Work Paul uses the powerful image of God canceling the record of debt by nailing it to the Cross 2 14 The Key Verse Seek the Things Above If you want to understand the heartbeat of the Colossian believer it is found in the transition to the practical section If then you have been raised with Christ seek the things that are above where Christ is seated at the right hand of God Set your minds on things that are above not on things that are on earth Colossians 3 1 2 The Scope of this Commentary In this verse by verse commentary we will dismantle the Christ plus mentality that still plagues many today We

will focus on Christological Depth Analyzing the titles and roles of Jesus as the Creator and Redeemer Combatting Legalism Learning why human traditions and shadows are unnecessary in light of the Substance Christ The New Wardrobe Unpacking the clothing metaphor in Chapter 3 putting off the old self and putting on compassion kindness and love Kingdom Relationships How the supremacy of Christ transforms our homes and our speech By studying Colossians you will be anchored in the truth that Jesus is not just a part of your life He is your life **Colossians** Jerry L. Sumney,2008-10-17 The letter to the Colossians offers great insight into the faith life and problems of an early Christian church Understanding this letter to be one of Paul s prison epistles but aware of the differences between this and his other writings Jerry Sumney shows how the church struggled with expressing its new faith in the diverse settings of the Greco Roman world Paying special attention to the ways of forgiveness and salvation through the power of Christ this fine commentary shows Colossians expansive Christology and expectant eschatology The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship The commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text

Commentary on Colossians Vincent Cheung,2014-11-25 Paul s letter to the Colossians weaves together high theology with holy living and exhortations with warnings Its main theme is the fullness of Christ and the fullness that Christians have in him Christ s person and work are complete and Christians have benefited from this completeness Any attempt to supplement or replace the person and work of Christ therefore undermines and devalues him and compromises the Christian faith This commentary confronts several controversial doctrines including the incomprehensibility of God and the origin of sin and evil Other features include a summary of systematic theology from the perspective of christology discussions on true versus false philosophy true versus false spirituality what it means to see the Father by looking at Jesus the priorities of Paul in life and prayer and the true nature of the Great Commission **The Cumulative Book Index** ,1922 Texts and Studies Pelagius,1922 **Theological Studies** William James McGarry,John Courtney Murray,1973 **Colossians** Anthony C. Thiselton,2020-06-15 In this clear practical and brief commentary Anthony Thiselton brings to bear his intimate knowledge of Paul s theology the ancient city of Colossae and Paul s epistle to the church of that city The commentary offers a new translation from the Greek and explorations of an exegetical as well as a pastoral and practical nature on all passages of the book Each section concludes with questions for further reflection
