Fisk, 2000-04-01 In First Corinthians Paul writes to a troubled church at Corinth urging its members to live a life distinct from the ways of others governed by the law of love and affirming of the tenets of the faith His direct responses to their shortcomings provide us a window into daily church life in the first century But this letter also paints a vivid picture of what any church can become by the grace of God Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth Interpretation Bible Studies can be used in small groups in church school classes in large group presentations or in personal study *Immersion Bible Studies: 1 & 2 Corinthians* Rev. than our culture today yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ In this six week study we will explore Paul s first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions whether in the workplace neighborhood school home social media community or church We ll discover that the answer is living and sharing the radical love of Jesus Christ and we ll unpack what this means and how we can live it out day by day The Participant Book includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 25 30 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components
