

JAINISM

📍 India

📖 Agamas

🌟 Tirthankaras

👤 Jain

📅 Mahavir Janma Kalyanak

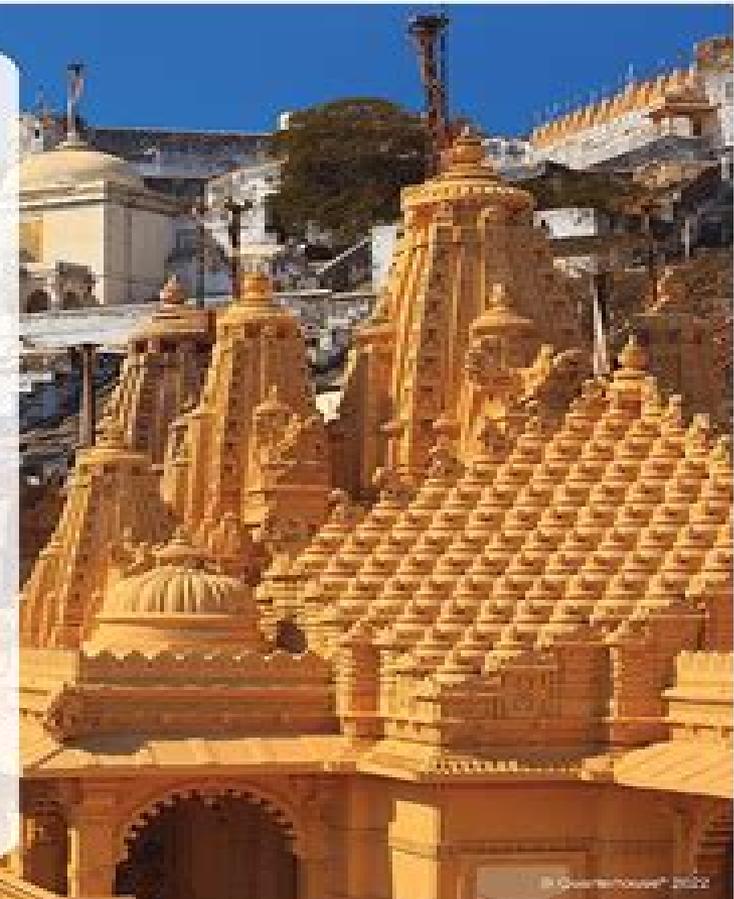

Celebrates the birth of Mahavir, the last Tirthankara of present Avasarpiṇī.

Paryushana

A time when the Jains take on vows of study and fasting.

Jainism, also known as Jain Dharma, has three main pillars: non-violence, non-absolutism, and asceticism.

Jains represent less than 1% of the world's population.

Studies In Jainism

**Purushottama Bilimoria, Cogen
Bohanec, Rita D. Sherma**

Studies In Jainism:

Engaged Jainism Christopher Jain Miller, Cogen Bohanec, 2026-03-01 Explores the manifold ways in which Jains and Jain ideas become engaged in social worlds The Jain tradition with roots in ancient India but now spread across the globe is anything but static and monolithic In *Engaged Jainism* an interdisciplinary cohort of academics and practitioners explore the manifold ways in which Jains and Jain ideas become engaged in social worlds historically philosophically philologically and anthropologically Following the legacy of *Engaged Buddhism* the groundbreaking volume edited by Christopher S Queen and Sallie B King this volume shows how Jain traditions become engaged in everyday life puts Jain ideas in dialogue with Western philosophical traditions and examines the ways in which Jains have maintained Jain identity in their engagement with other religious traditions and cultural influences in the past and present Across all of these disciplinary approaches Jainism emerges as a dynamic protean and diverse tradition

Studies in Jaina Philosophy Nathmal Tatia, 2006 Nathmal Tatia one of the leading Jaina scholars of our time provides us with the first systematic and in depth study of the great problems dealt with in Jaina philosophy It begins with the basic Jaina worldview of non absolutism anekanta vada and deals next with Jaina epistemology Three major topics are then studied in great detail with full reference to the Jaina scriptures These are the problem of avidya in the various Indian schools the Jaina doctrine of karman and Jaina yoga This latter includes an important study of Haribhadra s comparative studies in yoga Tatia has here given us a first rate advanced level study of Jaina philosophy

Collected Papers on Jaina Studies Padmanabh S. Jaini, 2000-01-01 Throughout his long academic career P S Jaini has focused his research on the religious philosophical and literary achievements of the Buddhists and the Jains His papers on Jaina Studies scattered in many learned publications are brought together here for the first time They cover a wide range of topics including the Jaina view of the nature of reality the doctrine of karma the problem of rebirth the idea of omniscience the aptitude for salvation and the assimilation of Hindu myths and rituals

Studies in Jaina History and Culture Peter Flügel, 2006-02-01 The last ten years have seen interest in Jainism increasing with this previously little known Indian religion assuming a significant place in religious studies *Studies in Jaina History and Culture* breaks new ground by investigating the doctrinal differences and debates amongst the Jains rather than presenting Jainism as a seamless whole whose doctrinal core has remained virtually unchanged throughout its long history The focus of the book is the discourse concerning orthodoxy and heresy in the Jaina tradition the question of omniscience and Jaina logic role models for women and female identity Jaina schools and sects religious property law and ethics The internal diversity of the Jaina tradition and Jain techniques of living with diversity are explored from an interdisciplinary point of view by fifteen leading scholars in Jaina studies The contributors focus on the principal social units of the tradition the schools movements sects and orders rather than Jain religious culture in abstract Peter Flügel provides a representative snapshot of the current state of Jaina studies that will interest students and academics involved in the study of religion or South Asian cultures

Studies in Jainism Duli Chandra Jain, 1997 *Studies*

in Jainism and Buddhism in Mithilā Upendra Thakur,1964 **Studies in Jainism** Dulichand Jain,1990 *Studies in Jainism*
M. P. Marathe,Mrs. M. A. Kelkar,Pradīpa Gokhale,1984 Proceedings of three seminars on Jaina logic and philosophy 1975
Jaina logic culture and literature 1977 and Jaina philosophy and modern scientific thought 1979 organized by the Dept of
Philosophy University of Poona *Ideal, Ideology & Practice* Narendra Kumar Singhi,1987 **Jaina Studies** Colette
Caillat,Nalini Balbir,2008-01-01 Interest for Jain studies has increased considerably in the last decades Scholars will be
thankful to the organizers of the 12th World Sanskrit Conference who for the first time in such a conference planned a
special panel on this field The ten papers collected in this volume show the importance abundance and variety of topics that
can be considered Philological analysis still proves useful whether it concentrates on one particular work or on clusters of
texts A study of the strategy of narrative and predication needs a historical approach kavya literature lends itself to renewed
and indepth interpretations Finally the reader will observe the constant renewal of Jainism as some new literary genre or a
new sect are seen to have gained momentum in modern times *Studies in South Indian Jainism* M. S. Ramaswami
Ayyangar,B. Seshagiri Rao,1922 *Facets of Jainology* Vilas Adinath Sangave,2001 This Collection Of Research Papers
Presents A Complete Picture Of The Jain Community S Way Of Life Its People And Its Culture The First Part Deals With Jain
Society The Second With Jain Religion And The Concluding Part Relates To Jain Culture Scholars And Lay Readers Interested
In Various Aspects Of Jainology Will Find It Useful **Contemplative Studies & Jainism** Purushottama Bilimoria,Cogen
Bohanec,Rita D. Sherma,2023-08-01 This volume is one of the first wide ranging academic surveys of the major types and
categories of Jain praxis It covers a breadth of scholarly viewpoints that reflect both the variegation in terms of spiritual
practices within the Jain traditions as well as the Jain hermeneutical perspectives which are employed in understanding its
rich diversity The volume illustrates a complex and nuanced understanding of the multifaceted category of Jain religious
thought and practice It offers a rare intrareligious dialogue within Jain traditions and at the same time significantly broadens
and enriches the field of Contemplative Studies to include an ancient ascetic non theistic tradition Meditation yoga ritual
prayer are common to all Indic spiritual traditions By investigating these diverse yet overlapping categories one might obtain
a sophisticated understanding of religious traditions that originally emerged in South Asia Essays in this book demonstrate
how these forms of praxis in Jainism and the philosophies that anchor those practices are interrelated and when brought into
dialogue help to foster new tools for understanding a complex and variegated tradition such as Jain Dharma This book will be
useful to scholars and researchers of religious and theological studies contemplative studies Jain studies Hindu studies
consciousness studies Yoga studies Indian philosophy and religion sociology of religion philosophy of religion comparative
religion and South Asian studies as well as general readers interested in the topic *Studies in Jaina History and Culture*
Peter Flügel,2013 **Jains in the World** John E. Cort,2001-03-22 There is no doubt that the wealth of new data and ideas
offered in this exquisite book provides the deepest insights yet into the contemporary religious world of Jain laity It will serve

for some time as a paradigmatic monograph for future empirical studies of Jain religious life Bulletin of the School of Oriental and African Studies Jains in the World is a significant and welcome ethnography of contemporary Jains in western India by the most prominent scholar of Jainism in North America This book is a must for scholars of South Asian religions and will provide scholars of Hindu traditions fine grounding both in a central dialectic of Jain thought and in contemporary Jain praxis International Journal of Hindu Studies A valuable addition to the literature on Jainism as a living faith Since it has the additional merits of being clearly written attractively illustrated and free of unnecessary theoretical baggage it should serve as a good introduction to this tradition for college students Journal of the American Oriental Society A must read for understanding by and large the ritual world of the Jains He has succeeded in proving that the concept of well being is as central to the Jains moral universe as their more entrenched pursuit of the goal of liberation of soul from karmic bondage History of Religions An essential read for students and scholars of Jainism it identifies and defines a realm of value in Jainism strongly alluded to by recent scholarship but which until now had not been explicitly stated For this reason Jains in the World will doubtless prove to be a fundamental turning point in the development of Jaina studies The Journal of Religion This book presents a detailed fieldwork based study of the ancient Indian religion of Jainism Drawing on field research in northern Gujarat and on the study of both ancient Sanskrit and Prakrit and modern vernacular Jain religious literature John Cort provides a rounded portrait of the religion as it is practiced today *Jains in India and Abroad* Prakash C. Jain, 2025-03-12 Jainism one of the oldest religions of the world found its philosophy rituals and ethical code in the teachings of Lord Mahavira the twenty fourth tirthankara of Jainism Though its reach was confined only to the Indian subcontinent for more than two and a half millennia from the twentieth century onwards it made its presence felt across the globe mainly in the US the UK Europe East Africa and Nepal and in smaller numbers in many other parts of the world through its diasporic population This book thus profiles the salient demographic as well as sociological features of the Jain communities in India and abroad The Jains have been a minority community consisting of less than 1 per cent of Indian population in modern times The current population of the Jains is estimated around six million Its diasporic communities consist of about 300 000 Despite its miniscule size the community s contributions to the Indian society in different realms are quite commendable be it education trade and commerce politics or in running and efficiently managing charitable institutions Other demographic features include its high literacy rate lowest infant mortality rate and appreciable sex ratio 954 in 2011 Their approach and attitude towards all living beings stand tall among all religious communities of the world The book further features other socio religious aspects of the Jain community along with its way of life social identity organizational features such as sects castes kinship family and marriage food festivals and pilgrimage Jain associations and status of contemporary Jain women The economic and political status of the Jains their inter ethnic relations and the Jains historical and civilizational contribution to Indian culture and society are also vividly addressed It navigates scholars and researchers to a wide range of

areas in Jain studies for further researches

Jain Business Engagement and Ethics Shagun C. Jain, Prakash C. Jain, Malay R. Patel, 2025-03-12 Jain narrative as well as canonical literature indicates that the first tirthankara of Jains Lord Adinath was the founder of work and knowledge based culture in India He taught people how to live as communities and adhere to certain prearranged rules of coexistence and cooperation He prescribed six different skills to be acquired by his subjects for worldly activities like i Asi swordsmanship for protection ii Masi writing skills iii Krishi agriculture iv Vidya knowledge v Vanijya trade and commerce and vi Shilp crafts These skills not only help in creating worldly wealth but also assist individuals and communities to live happily with overall prosperity Following the path shown by Lord Adinath and subsequent tirthankaras The Jain society from ancient times has been engaged in business activities with ahimsa non violence as their guiding principle Owing to this principle of ahimsa we do find trends of the Jain community being engaged in commerce and trade The historical trajectory of mercantile characteristics among the Jains continued till date and since India s Independence many renowned Jains have contributed to the development of India This book documents the conceptual foundation of Jain tenets with reference to the Western approach toward business ethics it also covers biographies of successful Jain entrepreneurs in the past and present Apart from the details on the conceptual framework of Jain Business Ethics and Jain Business Engagements through the ages it also contains various essays on Jain Values and Entrepreneurship This book is an academic attempt to examine the Jain religion as an Eastern case study which will be of interest to readers who are looking for an alternative perspective in light of contemporary worries about global business and economic systems

The Study of Jainism Lala Kannoolal, 1917 Jaina Scriptures and Philosophy Peter Flügel, Olle Qvarnström, 2015-06-19 Interest in Indian religion and comparative philosophy has increased in recent years but despite this the study of Jaina philosophy is still in its infancy This book looks at the role of philosophy in Jaina tradition and its significance within the general developments in Indian philosophy Bringing together chapters by philologists historians and philosophers the book focuses on karman theory the theory of conditional predication epistemology and the debates of Jaina philosophers with representatives of competing traditions such as j vika Buddhist and Hindu It analyses the relationship between religion and philosophy in Jaina scriptures both Digambara and vet mbara and will be of interest to scholars and students of South Asian Religion Philosophy and Philology

Approaches to Jaina Studies Narendra K. Wagle, Olle Qvarnström, 1999
