

A WALK THROUGH THE NEW TESTAMENT

LUKE & ACTS

BY JOHN FENN

Studies In Luke Acts

Leander E. Keck, James Louis Martyn

Studies In Luke Acts:

Literary Studies in Luke-Acts Joseph B. Tyson, 1998 *Literary Studies in Luke Acts* is a collection of essays by a group of distinguished biblical scholars who use literary critical analyses in the study of Luke Acts The variety of literary critical approaches to Luke Acts as compiled uniquely in this volume provides a needed resource by presenting methodological options for approaching biblical narrative texts with literary questions and considerations Contributors include Arthur Bellinzoni C Clifton Black Darrell L Bock John A Darr William Farmer Mikeal Parsons Vernon Robbins Jack Sanders Charles Talbert Robert Tannehill and Victor Paul Furnish *Studies in Luke-Acts* Leander E. Keck, Martyn Keck, James Louis Martyn, 1999-01-01 *A Theology of Luke and Acts* Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology Studies in Luke-Acts Leander E. Keck, James Louis Martyn, 1968 *Studies in Luke, Acts, and Paul* C. Kavin Rowe, 2024-08-22 C Kavin Rowe's keenest essays on Luke Acts and Paul collected into one volume How should scholars undertake New Testament interpretation C Kavin Rowe unfolds a careful multidisciplinary approach across fifteen of his most incisive articles and chapters Focusing on Luke Acts and Paul's letters this authoritative collection exemplifies how to enrich exegesis through historical inquiry philosophical reasoning and theological reflection Topics include The historical context of the Roman imperial cult Ecclesial theology in Luke and Acts The relationship between Luke and Acts Paul and material culture Seeking the truth of Scripture requires more than a close reading of the text Rowe's work on Luke Acts and Paul demonstrates how fruitful biblical interpretation can be when interpreters cross disciplinary boundaries This volume is an indispensable addition to the libraries of scholars students and serious readers of Scripture alike **Echoes of Scripture in Luke-Acts** Kenneth D. Litwak, 2005-03-07 Litwak challenges previous studies of the use of the Old Testament in Luke Acts as inadequate In contrast to previous studies that consider only quotations or obvious allusions he examines intertextual echoes of the Old Testament at strategic points in Luke Acts as well as quotations and allusions and echoed traditions Thus this study's database is larger Previous studies generally argue that Luke's use of the Scriptures is in the service of christology This leads to the exclusion of scriptural citations such as those of the temptation Luke 4 1-13 which have different emphases Litwak views ecclesiology as the overall purpose behind Luke's use of the Old Testament but he does not skip or avoid intertextual

references that may lie outside an ecclesiological function Whilst other studies contend that Luke uses the Old Testament according to a promise fulfillment proof form prophecy hermeneutic Litwak argues that this fails to account for many of the intertextual references Other studies often subsume all of Luke's use of the Scriptures of Israel under one theme such as the New Exodus but this study does not require that every intertextual echo maps to a specific theme Rather the many intertextual references in strategic texts at the beginning middle and end of Luke Acts and Luke's use of the texts are allowed to dictate the themes to which they relate JSNTS 282 Studies in Luke-Acts Leander E. Keck, 1966 **Studies in Luke, Acts, and Paul** C. KAVIN. ROWE, 2024-08-22 C. Kavin Rowe's keenest essays on Luke Acts and Paul collected into one volume How should scholars undertake New Testament interpretation C. Kavin Rowe unfolds a careful multidisciplinary approach across fifteen of his most incisive articles and chapters Focusing on Luke Acts and Paul's letters this authoritative collection exemplifies how to enrich exegesis through historical inquiry philosophical reasoning and theological reflection Topics include The historical context of the Roman imperial cult Ecclesial theology in Luke and Acts The relationship between Luke and Acts Paul and material culture Seeking the truth of Scripture requires more than a close reading of the text Rowe's work on Luke Acts and Paul demonstrates how fruitful biblical interpretation can be when interpreters cross disciplinary boundaries This volume is an indispensable addition to the libraries of scholars students and serious readers of Scripture alike Characters and Characterization in Luke-Acts Frank Dicken, Julia Snyder, 2016-10-20 Like all skilful authors the composer of the biblical books of Luke and Acts understood that a good story requires more than a gripping plot a persuasive narrative also needs well portrayed plot enhancing characters This book brings together a set of new essays examining characters and characterization in those books from a variety of methodological perspectives The essays illustrate how narratological sociolinguistic reader response feminist redaction reception historical and comparative literature approaches can be fruitfully applied to the question of Luke's techniques of characterization Theoretical and methodological discussions are complemented with case studies of specific Lukan characters Together the essays reflect the understanding that while many of the literary techniques involved in characterization attest a certain universality each writer also brings his or her own unique perspective and talent to the portrayal and use of characters with the result that analysis of a writer's characters and style of characterization can enhance appreciation of that writer's work *Studies in Luke-Acts* Leander E. Keck, James Louis Martyn, 1966 **Ignited by the Spirit** Keith Clouten, 2025-04-16 After authoring a devotional commentary on Luke's Gospel Keith plunged into Luke's second book The Acts of the Apostles to understand how and why the Christian Church was founded by the Apostles of Jesus after His resurrection Keith writes in a conversational style with touches of pathos and humor Each of the book's 78 short chapters ends with questions for personal reflection and application Five Studies on Interpretation of Scripture in Luke-Acts Bart J. Koet, 1989 Peeters 1989 *Studies in Luke-Acts* François Bovon, 1992 An Introduction to the Study of Luke-Acts V. George Shillington, 2007-03-15 Introduces readers to the text

texture and context of Luke Acts by using various approaches practiced by biblical scholars This work outlines the methods of biblical interpretation and then shows how they might be applied to the texts in question Taking a social science approach it examines the society and culture of the time *Studies in Luke-Acts* Paul Schubert,1966 **The Reception of Luke and Acts in the Period Before Irenaeus** Andrew F. Gregory,2003 When and how may Christians first be shown to have used the Gospel of Luke and its companion volume The Acts of the Apostles Andrew Gregory offers the first book length discussion of the reception of Luke and of Acts in the period before Irenaeus The research project which was the basis of this monograph was originally conceived as a comparison of the pneumatology of Luke Acts with the pneumatologies presented in Christian literature of the second century Recent scholarship on Lukan pneumatology is agreed that Luke has a particular interest in the Spirit but it is divided as to whether his pneumatology is part of a homogenous early Christian understanding or a distinctive presentation that is to be sharply differentiated from that of Matthew and Mark of John and of Paul Noting a lacuna identified by Turner the author set out to originally ask two questions First whether it might be possible to identify in second century pneumatologies any characteristics that New Testament scholars might label as distinctively Lukan Second whether such characteristics might be sufficient to indicate not only the influence of Lukan pneumatology but also a conscious appropriation of distinctively Lukan theology by other early Christians Contents include Introduction and methodology Previous research The evidence of the earliest manuscripts and notices Do narrative outlines of episodes in the life of Jesus presuppose Luke Collections of the sayings of Jesus Marcion Justin Martyr The reception of Luke in the Second Century The reception of Acts in the Second Century Early and Ambiguous Evidence Justin Martyr Narrative accounts explicitly concerning the Post resurrection teaching of Jesus and the activity of Apostles and other prominent figures The reception of Acts in the Period before Irenaeus The reception of Luke and Acts in the Period before Irenaeus *Luke-Acts and Jewish Historiography* Samson Uytanlet,2014-05-14 In this book Samson Uytanlet states his observation that there is an unnecessary disjunction between Luke s theology and literature in previous studies on Luke Acts Luke s theology is typically studied in light of Jewish writings while Luke s literature is studied in relation with Greco Roman works The author shows that there are theological literary and ideological elements that ancient Greco Roman and Jewish writings share which are also present in Luke s work In areas where they diverge however Luke Acts shows closer affinity to Jewish writings

Studies in Luke-Acts : essays presented in honor of P. Schubert Leander E. ; Martyn Keck (J. Louis),1980

Marcion and Luke-Acts Joseph B. Tyson,2006 Building on recent scholarship that argues for a second century date for the book of Acts Marcion and Luke Acts explores the probable context for the authorship not only of Acts but also of the canonical Gospel of Luke Tyson proposes that both Acts and the final version of Luke were published at the time when Marcion of Pontus was beginning to proclaim his version of the Christian gospel in the years 120-125 C E Tyson positions the controversy with Marcion as a defining struggle over the very meaning of the Christian message and the author of Luke Acts

as a major participant in that contest The Conclusion of Luke-Acts Charles B. Puskas, 2009-01-01 The conclusion of Luke Acts is regarded as one of the most important chapters of Luke's two volume work Several significant Lukan themes are found in Acts 28 all of which make some contribution to the purpose and aim of the author in writing Luke Acts the Gentile mission the triumph of God's Word and the relationship of Christianity with Judaism and Rome Acts 28 contains many historical problems that have been debated for centuries including the we statements the figure of Paul in Acts 28 and the abrupt ending Puskas compares the conclusion of Acts with other important chapters of Luke Acts the introduction of the Gospel the conclusion of Acts the defense of Paul chapters as well as other passages In this significant chapter of Acts 28 there are still fundamental problems of exegesis that need to be addressed What is the literary function of Acts 28 What is Luke trying to tell his readers in the text

Unveiling the Magic of Words: A Report on "**Studies In Luke Acts**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Studies In Luke Acts**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
