The Holy Scriptures:

Commentary on the Holy Scriptures of the New Testament Averky Taushev, 2021-01-04 Archbishop Averky approaches the New Testament first and foremost not as a literary work of antiquity but as the revelation of Jesus Christ as God in the flesh Writing in the tradition of biblical exegetes he provides a commentary that is firmly grounded in the teaching of the Church manifested in its liturgical hymnography and the works of the Holy Fathers Analyzing all four Gospels chronologically and simultaneously he allows readers to see the life of Christ as an unfolding narrative in accessible direct language Archbishop Averky's commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim This present collection makes the complete commentary available in one collection for the first time It is an indispensable addition to the library of every student of Holy Scripture

The Holy Scriptures Book of Poems Joseph William Gilbert Barnett, 2019-08-01 Back in the late 1980s I had the idea to write a poem about the Book of Revelation After writing that poem I thought to myself What if I could write the entire Bible in an easier to read poem format That had never been done before so I accepted the challenge After about nine years of writing and rhyming it finally came into being I hope people will find this labor of love as an inspiration to read and learn from the Bible
