The Hostage Heart:

The Hostage Heart Gerald Green,1978-01-01 *The Hostage Heart* Gerald Green,1976 Rich Walter Tench is held hostage in the operating room during open heart surgery by a group of revolutionaries bent on ransom *The Hostage Heart* Lynn Errick,1999-05-01 *The Hostage Heart* Cynthia Harrod-Eagles,2017-10-01 Emotionally hurt in the past a job in a large country house seems to be Emma s best option for staying single and safe When Emma Ruskin becomes governess to 10 year old Poppy Ackroyd the haughty Ackroyd family all treat her with contempt particularly Gavin the effortlessly superior eldest son Yet Emma realises that Gavin alone genuinely cares for Poppy and their unexpected rapport flatters and alarms her surely he is out of her league But then disaster strikes when Emma and Poppy are snatched by kidnappers Imprisoned and terrified Emma knows they will be killed if the ransom isn t paid unless Gavin can get to them first First published as *Dangerous Love* and originally under a pseudonym this is a new edition with a new introduction from the author *Hostage Heart* ,1988 *Hostage Heart* Chelle Cordero,2009-07 Life was hard after the hurricanes swept through destroying her parents home and livelihood Deanna did the only thing she could do She moved to New York City found a job worked hard scrimped and saved to send what little she could manage back home to Louisiana to her parents An errand for her boss a chance encounter with a crew of bank robbers a kind man who tried to help her and deserved her courageous help in return But he wasn t the man she thought he was no he was so very much more **The Grapple (Settling Accounts, Book Three)** Harry Turtledove,2007-06-26 A profoundly thoughtful masterpiece of alternate history Booklist It is 1943 the third summer of the new war between the Confederate States of America and the United States a war that will turn on the deeds of ordinary soldiers extraordinary heroes and a colorful cast of spies politicians rebels and everyday citizens The CSA president Jake Featherston seems to have greatly miscalculated the North s resilience But as new demonic tools of killing are unleashed secret wars are unfolding The U S government in Philadelphia has proof that the tyrannical Featherston is murdering African Americans by the tens of thousands in a Texas gulag called Determination And the leaders of both sides know full well that the world s next great power will not be the one with the biggest army but the nation that wins the race against nature and science and smashes open the power of the atom Praise for *The Grapple* Turtledove never tires of exploring the paths not taken bringing to his storytelling a prodigious knowledge of his subject and a profound understanding of human sensibilities and motivations Library Journal One of the strongest books in the extended series SfSite Compelling Publishers Weekly **The Grapple** Harry Turtledove,2006-07-25 In this stunning retelling of World War II Harry Turtledove has created a blockbuster saga that is thrilling troubling and utterly compelling It is 1943 the third summer of the new war between the Confederate States of America and the United States a war that will turn on the deeds of ordinary soldiers extraordinary heroes and a colorful cast of spies politicians rebels and everyday citizens The CSA president Jake Featherstone has greatly miscalculated the North s resilience In Ohio where Confederate victory was once almost certain

Featherstone's army is crumbling and reinforcements of uninspired Mexican troops cannot stanch a Northern assault on the heartland. The tide of war is changing and victory seems within the grasp of the USA. Still new fighting flares from Denver to Los Angeles. Indeed as the air ground and water burn with molten fury new and demonic tools of killing are unleashed and secret wars are unfolding. The U S government in Philadelphia has proof that the tyrannical Featherstone is murdering African Americans by the tens of thousands in a Texas gulag called Determination. And the leaders of both sides know full well that the world's next great power will not be the one with the biggest army but the nation that wins the race against nature and science and smashes open the power of the atom.

In *Settling Accounts* Harry Turtledove blends vivid fictional characters with a cast inspired by history including the Socialist assistant secretary of war Franklin Delano Roosevelt and beleaguered Confederate military commander Nathan Bedford Forrest. In *The Grapple* he takes his spellbinding vision to new heights as he captures the heart and soul of a generation born and raised amid unimaginable violence. This is a struggle of conquest and conscience played out on American soil.
