Sets Bradley R. Schiller, 2002-04 Brad Schiller's text *The Macroeconomy Today* 9e is noted for its three great strengths: readability, policy orientation, and pedagogy. His accessible writing style engages students and brings some of the excitement of domestic and global economic news into the classroom. Schiller emphasizes how policymakers must choose between government intervention and market reliance to resolve the core issues of what, how, and for whom to produce. This strategic choice is highlighted throughout the full range of micro, macro, and international issues. Every chapter ends with a policy issue that emphasizes the markets vs. government dilemma. And Schiller packs his chapters with the facts of economic life: real stories, not fables. This is a book that teaches economics in a relevant context and with careful pedagogy. Schiller's 9e is for students motivated by real-world policy issues who want to become economically literate. This is a book students actually read. Schiller is also known for its cutting edge and current coverage of today's issues. **Looseleaf The Micro Economy**

Today with Connect Access Card Bradley Schiller, 2011-11-15 Clear, Current, Connected to Today's Student. Schiller's *The Micro Economy Today* 13e is noted for three great strengths: readability, policy orientation, and pedagogy. The accessible writing style engages students and brings some of the excitement of domestic and global economic news into the classroom. Schiller emphasizes how policymakers must choose between government intervention and market reliance to resolve the core issues of what, how, and for whom to produce. This strategic choice is highlighted throughout the full range of micro, macro, and international issues, and every chapter ends with a policy issue that emphasizes the markets vs. government dilemma. The authors teach economics in a relevant context, filling chapters with the real facts and applications of economic life. Schiller is also the only principles text that presents all macro theory in the single, consistent context of the AS-AD framework. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective.
