The Making of Milwaukee John Gurda, 1999 The Making of Milwaukee chronicles the history of a hometown metropolis a community whose past has produced one of the most livable big cities in America and at the same time created some daunting social and economic problems John Gurda s book is the first full length history of Milwaukee to appear since 1948

BOOK JACKET Educating Milwaukee James K. Nelsen, 2015-11-17 Milwaukee s story is unique in that its struggle for integration and quality education has been so closely tied to school choice from the Introduction Educating Milwaukee How One City s History of Segregation and Struggle Shaped Its Schools traces the origins of the modern school choice movement which is growing in strength throughout the United States Author James K Nelsen follows Milwaukee s tumultuous education history through three eras no choice forced choice and school choice Nelsen details the whole story of Milwaukee s choice movement through to modern times when Milwaukee families have more schooling options than ever charter schools open enrollment state funded vouchers neighborhood schools and yet Milwaukee s impoverished African American students still struggle to succeed and stay in school Educating Milwaukee chronicles how competing visions of equity and excellence have played out in one city s schools in the modern era offering both a cautionary tale and a choice example **Voices of Milwaukee Bronzeville** Dr. Sandra E. Jones, 2021 Some people don t have to imagine what Milwaukee s Bronzeville was like They have only to remember They recall Walnut Street alive with businesses serving a hardworking Black population making something out of the meager resources available to them They describe religious establishments such as St Mark s Methodist Episcopal St Benedict the Moor Calvary Baptist and St Matthew CME attending to the spiritual life and remember the Flame the Metropole and Satin Doll nightclubs taking care of entertainment and secular needs Above all they recollect a people looking out for the well being of all within its realm Gathering interviews with residents of the now vanished neighborhood Dr Sandra E Jones reimagines Bronzeville not just as a place but as a spirit engendered by a people determined to make a way out of no way **Lessons from the Heartland** Barbara Miner, 2013 In a magisterial work of narrative nonfiction that weaves together the racially fraught history of public education in Milwaukee and the broader story of hypersegregation in the rust belt Lessons from the Heartland tells of an iconic city s fall from grace and of its chance for redemption in the twenty first century In the early months of 2011 Wisconsin became central to the fight to save America s middle class and its public institutions in particular public education Across America progressives embraced the slogan We Are Wisconsin All politics are local but with unending repercussions the Milwaukee story is the Wisconsin story which is the nation s story This book tells that story Lessons from the Heartland focuses on public education reforms from vouchers and charter schools to desegregation and choice to explore larger issues of race and class in our democracy Miner whose daughters went through the Milwaukee public school system and who is a former Milwaukee Journal reporter brings a journalist s eye and a parent s heart to exploring the intricate ways that jobs housing and schools intersect underscoring the intrinsic link between the

future of public education and the dreams and hopes of democracy in a multicultural society This book will change the way we think about the possibility and promise of public education *Damn the Old Tinderbox!* Matthew J. Prigge,2019-03-01 In the dead of an unassuming January night in 1883 Milwaukee s Newhall House hotel was set on fire Two hours later the building once among the tallest in the nation lay in ruins and over seventy people were dead It was a tragedy that brought global notice to Milwaukee with daring escapes and rescues and heart wrenching tales of victims burned to death or killed as they leapt from the burning building From the great horror emerged an even greater string of mysteries Who had set the fire and who was to blame for the staggering loss of life The Newhall s hard luck barkeeper A gentleman arsonist What of the many other unexplained fires at the hotel Had the Newhall s management neglected fire safety to boost their profits *Damn the Old Tinderbox* is the gripping tale of one of the Gilded Age s forgotten calamities a fire that remains among the deadliest unsolved arsons in American history and a significant chapter in both the history of Milwaukee and the Midwest Social Change and the Empowerment of the Poor Mark Edward Braun,2001-01-01 *Social Change and the Empowerment of the Poor* provides insight into the local impact of a variety of federal programs funded by the Economic Opportunity Act of 1964 Specifically Mark Edward Braun s dramatic social history examines seven anti poverty programs Community Action Programs CAPs started in Milwaukee in the 1960s Braun s research confirms that unlike most other cities Milwaukee s deteriorating urban neighborhoods were transformed by these initiatives CAPs successfully empowered Milwaukee s poor made public officials and institutions more accountable to the needs of the poor reformed punitive legislation created new community based organizations expanded social services for people of color and challenged elites This book provides an excellent framework for future studies that will add to the current scholarly interest in the long term results of CAPs Braun simultaneously dispels the myth that CAPs were a categorical failure and brings a provocative new voice to urban studies social activism policy studies and political science **Labor's Cold War** Shelton Stromquist,2008 How the Cold War affected local level union politics Ted Mack and America's First Black-Owned Brewery Clint Lanier,2023-04-06 Born a sharecropper in rural Alabama in 1930 Theodore A Ted Mack Sr fought in the Korean War and then played football at Ohio State while earning a college degree Brewing and selling beer he believed would be just another peak to attain After all it couldn t be more challenging than his experience in organizing buses to the March on Washington or picketing segregated schools in Milwaukee This is the story of Mack s purchase of Peoples Brewing Company in Oshkosh Wisconsin Though he had carefully planned for the historic acquisition he underestimated the subtle bigotry of Middle America the corruption of the beer industry and the failures of the federal government that plagued his ownership Mack s ownership of Peoples Brewing is an inspirational story of Black entrepreneurship innovation and pride at a time when America was at an important racial justice crossroads Reports of Cases Argued and Determined in the Supreme Court of the State of Wisconsin Wisconsin.
