The Modoc War Robert Aquinas McNally, 2017-11 On a cold rainy dawn in late November 1872 Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other Their duel triggered a war that capped a decades long genocidal attack that was emblematic of the United States conquest of Native America s peoples and

lands Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872-73 one of the nation's costliest campaigns against North American Indigenous peoples in which the army placed nearly one thousand soldiers in the field against some fifty-five Modoc fighters. Although little known today, the Modoc War dominated national headlines for an entire year. Fought in south central Oregon and northeastern California, the war settled into a siege in the desolate Lava Beds and climaxed the decades-long effort to dispossess and destroy the Modocs. The war did not end with the last shot fired; however, for the first and only time in U.S. history, Native fighters were tried and hanged for war crimes. The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt, disease-ridden Quapaw reservation in Oklahoma, where they found peace even more lethal than war. The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations. This compelling history illuminates a dark corner in our country's past.

[Shaman's Dream](#) Lu Mattson, 2012-11-01. Shaman's Dream: the Modoc War is a literary non-fiction account of the 1873 standoff between besieged Modoc Indians and the United States Army on the California-Oregon border. The book, a kaleidoscope of vested interests, draws together eye-witness accounts by settlers, military, and governmental records, reports, diaries, letters, press releases, telegrams in a narrative that is a multi-cultural evocation of one of the last of the Indian Wars. A new, over-zealous Superintendent of Indians for Oregon precipitated the war in an ill-advised attempt to corral a group of Modocs and return them to the Klamath reservation. Loss of life and the burning of the camp at Lost River was repaid by Modocs escaping to a stronghold in the lava beds where they were besieged for months and where they were persuaded the Ghost Dance would save them. The standoff between the native Americans and the United States army eventually ended, but not until peace commissioners were wounded and murdered. The Army trial of the accused ended with hangings and the exile of the tribe subsequently to Oklahoma. President U.S. Grant's Peace Policy
