

The Musical Instrument Collector

By J. Robert Willcutt and Kenneth R. Ball

"...is an informative, yet entertaining collection of interviews with notable collectors and repairmen, among them, George Gruhn, the Mandolin Brothers, and *Magwumps Magazine* publisher Mike Holmes. The primary focus is on the art of collecting guitars and banjos, even though other instruments such as violins and basses are mentioned. The 121-page compilation is a good cross-section of what collecting is all about and is chock-full of interesting anecdotes and opinions."

often deeply moved by the strangely exciting musical cultures I encountered. In Java and Bali there was the majestic and ecstatic ringing of the 5 ceremonial gongs in a Tibetan monastery there was the noble intoning of the lamaist monks playing the long copper trumpets in Africa and Haiti the frenzied vitality of the combat of rhythms of war drums. Often I have wished that lovers of great symphonic music in our country could hear these wonderful sounds and see the magnificent instruments which made them. Now thanks to the exhibit and to the handbook by Dr Barone it will be possible for many more of us to become familiar with the musical instruments and cultures of other lands.
