The Problem Of St Patrick:

The Problem of St. Patrick James Carney, 1961 *The Problem of St. Patrick* James Carney, 1973 The Problem of St. Patrick James Carney, 1961 *Saint Patrick* Thomas O'Loughlin, 2014-02-20 The only true apostle of Ireland who more or less converted the country the single handed or A Christian bishop from the embattled edge of a crumbling empire All that can really be known of Patrick comes from his authentic writings the Confession and the Epistola Address to the Soldiers of Coroticus Thomas O Loughlin s engaging yet scholarly reflections on these fifth century texts lead us into a greater understanding of the mind of Patrick the man believer and missionary Sons of Saint Patrick George J. Marlin, Brad Miner, 2017-02-15 Sons of Saint Patrick tells the story of America s premiere Catholic see the archdiocese of New York from the coming of French Jesuit priests in the seventeenth century to the early years of Cardinal Timothy Dolan It includes many intriguing facets of the history of Catholicism in New York including the early persecution of and legal discrimination against Catholicsthe waves of catholic immigrants most notably from Irelandthe Church s rise to power under New York s first archbishop Daggar John Hughesthe emerging awareness in the Vatican of New York s preeminencethe clashes between America and Rome over the Americanist heresythe role New York s archbishops have played in the life of America s greatest city and in the world The book focuses on the ten archbishops of New York and shows how they became the indispensable partners of governors and presidents especially during the war torn twentieth century Also discussed are the struggles of the most recent archbishops in the face of demographic changes financial crises and clerical sex abuse cases Sons of Saint Patrick is an objective but colorful portrait of ten extraordinary men men who were saints and sinners politicians and pastors and movers and shakers who as much as any other citizens have made New York one of the greatest cities in the world All ten archbishops have been Irish either by birth or heritage but given New York s changing ethnic profile Cardinal Timothy Dolan may be the last son of Saint Patrick to serve as its archbishop Saint Patrick'S Secret Sean Ryan, 2013-06-26 Mary Jo Ryan travelled over twenty thousand miles from Ireland to Australia to Savannah Georgia in search of love security and peace Instead she found bigotry hatred betrayal and pain and the nightmare of a secret which she carried alone until she met Frances Jackson and Richard Frankel Frances was an African American war widow whose courage saved Mary Jos life and whose strong faith inspired her to live above her loneliness Richard was a combat pilot and Korean War hero seeking the truth in a world of wartime lies Richards search to find his brother a priest who had disappeared in 1949 revealed a Catholic conspiracy and a cover up buried in the Pentagon But it also led him to meet Mary Jo and to help her carry the burden of a secret which she would keep for fifty years Mary Jo and her two sons became the family which Richard never knew But his attempt to overcome his own secret shame would lead to a crime which would forever link Saint Patricks parish and a 1961 CIA operation in Cuba in a countdown to tragedy Much more than a mystery this is the story of a Christian womans faith an embittered soldiers desperation and a lonely warriors courage In Gods providential plan they overcome a web of lies and

secret sins on their shared journey to forgiveness and truth

Who was Saint Patrick? E. A. Thompson, 1999 Those who want to know what manner of man Patrick was something about the Roman world in which he originated and the problems he faced among the Irish will find this book helpful and satisfactory Patrick is allowed to emerge from his own accounts And what an impressive figure he was

TABLET Thompson has presented Patrician scholars with some intriguing new hypotheses in a field where hypotheses abound These have the virtue of relying solely on the only reliable source bearing on Patrick namely his own writings

HISTORY Everyone knows of St Patrick but what do we know about him Simply that it was he who converted the Irish to Christianity The strange fact is that for two hundred years or so after his death although his name was remembered with respect everything else about him was forgotten

E A Thompson pieces together the story of his life drawing his evidence from the only real clues that exist Patrick s own writings not from the later Lives He reveals him as coming from a well to do nominally Christian family in Britain being captured by Irish raiders and forced into slavery in Co Mayo converting to a most earnest Christianity and eventually escaping from Ireland to the fulfilment of his calling As a bishop he is shown to have been a man of profound originality and his writings his Confession and his Letter to Coroticus further display his character It is no surprise that a host of legends became attached to his name and the biography is completed with a look at some of those early legends

St. Patrick and the Coming of Christianity Ludwig Bieler, 1967

Saint Patrick David N. Dumville, D. N. Dumville, 1999-04-29 Extremely scholarly and contains many important studies impossible to do justice to the depth of scholarship which is on display here

BRITANNIA Anyone working on Britain and Ireland in the fifth century should pay close attention

MEDIEVAL ARCHAEOLOGY A fascinating work which sheds light on a number of dark corners

EARLY MEDIEVAL EUROPE St Patrick s place in Irish history is celebrated but is also the subject of intense controversy even as to his death Although the 1500th anniversary of that event was originally celebrated in 1961 there is every reason to think the death date of 461 unsustainable This collection of essays commemorates a different date 17 March 493 and takes stock of other difficult issues which require reassessment These include Patrick s own account of his career his impassioned apology *pro uita sua* and the later Irish sources which may not reveal much about Patrick but possibly contain material about Palladius sent from Rome in AD 431 as first bishop for Irish Christians the invention of two Patricks seems to belong at the latest to the 8th century and may be a reflex of a 7th century conflation of the careers of Palladius and Patrick The continuing mediaeval development of the legend and cult of St Patrick and a wide variety of other associated historical and literary historical issues are also explored
