The Prodigal Daughter Kay D. Rizzo,2014-07-01 *The Prodigal Daughters* Germaine Capps,2017-02-24 The Godfather meets Pretty Woman without the humour The Prodigal Daughters is a gritty tale that combines the best elements of The Godfather a powerful crime family saga and the attraction of Pretty Woman down trodden young women in search of their dreams in the City of Dreams Weave into that combination a murder mystery that has an intrepid young female detective stumped right until the very end and you begin to get an idea of what The Prodigal Daughters is all about An avid lover of current affairs and news programmes Germaine Capps has explored the motivation behind the recent phenomenon of people sacrificing everything leaving behind loved ones and undertaking treacherous journeys all in search of a dream She does this through the eyes of the women in her novel Leila Eva Ngozi and Angelica Four women from different parts of the world they all have different backgrounds but with one thing in common They all have the desire to fulfil a dream in the one place on earth they believe that can be achieved Los Angeles the City of Dreams But L A is no stranger to violent crime The Prodigal Daughters is character driven as opposed to plot led meaning that the readers will connect enough with the novel s heroes and villains to either love or loathe them but never ignore them It is as dark and heart wrenching as the pages of the news stories that inspired it in places but it is also a tale of love family perseverance redemption and how ultimately no obstacle however big can t be overcome when your heart is set on soaring *Prodigal Daughter* Ginna Gray, *The Prodigal*
