

The Prophets

Gary V. Smith

The Prophets:

The Prophets Norman Podhoretz, 2018-05-29 A radical reinterpretation of the biblical prophets by one of America's most provocative critics reveals the eternal beauty of their language and the enduring resonance of their message Long before Norman Podhoretz became one of the intellectual leaders of American neoconservatism he was a student of Hebrew literature and a passionate reader of the prophets of the Old Testament Returning to them after fifty years he has produced something remarkable an entirely new perspective on some of the world's best known works Or rather three new perspectives The first is a fascinating account of the golden age of biblical prophecy from the eighth to the fifth century B C E and its roots in earlier ages of the ancient Israelite saga Thus like large parts of the Bible itself *The Prophets* is a history of the Near East from the point of view of a single nation covering not only what is known about the prophets themselves including Elijah Amos Isaiah Jeremiah and Ezekiel but also the stories of King David King Saul and how the ancient Israelites were affected by the great Near Eastern empires that surrounded them Layered into this work of history is a piece of extraordinary literary criticism Podhoretz's very close reading of the verse and imagery used by the biblical prophets restores them to the top reaches of the poetic pantheon for these books contain unequivocally some of the greatest poetry ever written The historical chronicle and the literary criticism will transport readers to a time that is both exotic and familiar and like any fine work of history or literature will evoke a distinct and original world But the third perspective of *The Prophets* is that of moral philosophy and it serves to bring the prophets' message into the twenty-first century For to Norman Podhoretz the real relevance of the prophets today is more than the excitement of their history or the beauty of their poetry it is their message Podhoretz sees in the words of the biblical prophets a war being waged a war against the sin of revering anything made by the hands of man in short idolatry In their relentless battle against idolatry Podhoretz finds the prophets' most meaningful and enduring message a stern warning against the all-consuming worship of self that is at least as relevant in the twenty-first century as it was three thousand years ago *The Prophets* will earn the respect of biblical scholars and the fascinated attention of general readers its observations will be equally valued by believers and nonbelievers by anyone with spiritual yearnings Learned provocative and beautifully written *The Prophets* is a deeply felt deeply satisfying work that is at once history literary criticism and moral philosophy a tour de force

[The Prophets as Preachers](#) Gary V. Smith, 1998-09-01
Designed for use in upper level college courses and seminary courses on the prophets

The Prophets of Israel Carl Heinrich Cornill, 1899 *The Doctrine of the Prophets* Alexander Francis Kirkpatrick, 1901 Profiles twelve women soldiers who have served in the Iraq War describing their experiences in the war discussing the pressures of the job and touching on the difficulties of being a woman in the military

[Prophecy and the Prophets in Their Historical Relations](#) Frederick Carl Eiselen, 1909 *Commentary on the Prophets of the Old Testament: Commentary on the books of Nahûm, Ssephanya, Habaqqûq, "Zahkaryâ" (Ch. XII-XIV), Yérmayá* Heinrich Ewald, 1878
