Sweeny, 2007-08-01 Use these step by step strategies to develop and implement a proven program that links to districtwide goals and results in highly qualified teachers and increased student achievement The Mentor and the Protégé Ralph M. Goldman, 2003 In a large and dramatic way the Mexican Revolution brought two men to the presidency of that nation Plutarco Calles and L zaro C rdenas Both were idealists Both made profound occasionally bloody contributions to the stability of a war weary nation This is the story told as a novel that traces the long friendship between the two revolutionary giants beginning with their respective childhoods a generation apart and rarely examined Calles the older of the two grew up as the bastard child of a produce vender's daughter and a non Catholic father The rigid religious demands of both families shaped his hostile attitude toward the Mexican Church C rdenas with an Indian heritage grew up obsessed with a mission to better the lives of Mexico's Indians an exploited underclass The story goes on to tell of their battles and victories as revolutionary generals A major achievement of the Calles C rdenas collaboration was the political stability it brought to Mexico What began in an environment of violence and shifting alliances ended in the nonviolent transfer of presidential power Over the course of these two men's lives and greatly due to their efforts political parties became the nonviolent alternative to civil war even as their changing political goals eroded their friendship The consequences had elements of a Greek tragedy The Protege Stephen Frey, 2005-12-27 Having survived his rise to Chairman of Everest Capital the world's largest private equity firm and the ferocious attempts on his life that ensued Christian Gillette finally seems safely perched atop the financial industry He's just accepted Everest's largest private investment he's poised to takeover his ex rival's sinking firm and he's just embarked on his firm's most exciting venture to date buying the NFL's newest team the Las Vegas

Twenty Ones Plus one of his young employees an ambitious deal maker named David Wright has caught his eye Wright reminds Gillette of himself just a few years back and he s drawn to the thought of teaching the wunderkind everything the ups and downs of the industry But everything comes to a screeching halt when a shadowy man calls him to a meeting requesting a favor and offering in return new information about Gillette s father and his still mysterious death Christian Gillette can t stand to be controlled but he also can t afford to lose a chance at finally learning something substantive about his father s death And as he becomes more entangled with the strange deal and the frantic pace of business continues without his full attention he feels his grip on Everest weakening and soon realizes his life is once more in desperate jeopardy When all signs begin to point to David Wright Gillette realizes that his toughest decision as Chairman lies directly ahead

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
