The Purple Rose Christi Walsh, 2014-12-16 There see it s not so bad is it I want you to notice me Chilling words uttered in the darkness Kate had tried to flee the otherwise empty bookstore but before she could get out the door she found herself pressed against it Now the mysterious malevolent stranger who s been stalking her every movement has her in his grasp and under his control And although he doesn t hurt her he says something that haunts her He tells her he ll be back and he means it It all started with a bloody purple rose left on Kate s doorstep Then her neighbor goes missing and the situation escalates into a murderous rampage Kate gains police protection but the stalker is patient and clever Kate eventually finds a chance to disappear from Portland and relocate to a small town in Wyoming But just as she is finally beginning to rebuild her life her predator makes good on his promise once again Ripe with suspense romance and plenty of drama *The Purple Rose* tells a chilling tale of violent obsession and the people who come together in the face of it It s a fast paced nail biter that enthralls until the very end
