Dr. Pradeep Kumar Rath,2025-05-29 Vastu is an integrated science that combines the energy of the universe and knowledge of science Energy is the life food that feeds human beings to lead a purposeful life on earth while some negative and positive based energies counteract everywhere These energies need to be made void with the assistance of Vastu instruments such as Pyramids Every house needs to be corrected with Vastu to nullify negativity and make a home secured place devoid of any hazardous energy Pyramids are such energized instruments which have their own powers and are not charged by some tricks but pyramids are organically charged They keep the negative energies at bay from a place by absorbing all and neutralizing the place The incorrect Vastu of any place can make a home devoid of prosperity and contentment Therefore it becomes important to neutralize the energies with Pyramids **The Unity of Hegel's**
