The Quick Job Search:

The Quick Job Finding Pocket Guide Ronald L. Krannich, 2020-07-07 The perfect action guide for navigating today's challenging job market. Designed for anyone seeking employment from those experiencing job loss, hopeful new graduates, and individuals re-entering the workforce to anyone looking for a second job or starting a business, this user-friendly guide is filled with essential employment information organized around an effective 10-step job search process. It helps readers quickly examine their attitudes, assess their motivated abilities and skills, state and objective complete job applications, write resumes and letters, network for information, advice, and referrals, use the Internet effectively, attend job fairs, conduct effective job interviews, close and follow up, negotiate salary and benefits, accept job offers. Special sections focus on how to document education and work history, handle red flag issues, develop contacts, organize references, find a federal government job, survive and thrive on the job, start a business. Jam-packed with engaging self-tests, checklists, and tips, this handy re-employment guide is the perfect 24/7 tool kit for navigating and surviving the new COVID-19 economy. A popular giveaway to help anyone in need of practical job hunting advice.

The Ex-Offender's Quick Job Hunting Guide Ronald Louis Krannich, 2019-10-17 The most widely used ex-offender job search and re-entry resource, this user-friendly workbook implements the latest edition of *The Ex-Offender's New Job Finding and Survival Guide*. It's designed to assist the nearly 700,000 ex-offenders who are released into the Free World, as well as over 11 million others who circulate in and out of prisons, jails, and detention centers each year. Make no mistake: life can be hard for offenders living inside or outside a cage. Re-entry is especially hard for those who have lost everything, including precious hope and optimism, and who lack job-search "smarts" and digital skills. Without a decent job and support network to help meet immediate food, housing, transportation, and health care needs, and often saddled with onerous financial obligations (fines, restitution, child support payments, accumulated debts), many ex-offenders fall back on old dysfunctional habits, relationships, and temptations that lead them back to depressing correctional institutions. While many employers may not want to hire someone with a criminal record, others are willing to give ex-offenders a second chance. Knowing this, what should ex-offenders do in order to land a good job? Where can they best find a job they do well and enjoy doing? What job search strategies work best for them? This ground-breaking workbook provides important answers to many re-entry employment questions facing ex-offenders. Beginning with an assessment of one's job search information skills and strategies, users address such critical issues as asking questions, taking responsibility, telling the truth, and becoming trustworthy before examining each of 10 sequential steps to job and re-entry success:

1. Examine and change your attitudes
2. Seek assistance and become proactive
3. Select appropriate job search approaches
4. Assess your skills and identify your motivated skills and abilities
5. State a powerful objective
6. Conduct research on jobs, employers, and communities
7. Write effective resumes and letters
8. Network for information, advice, and referrals
9. Develop winning job interview skills
10. Negotiate salary and benefits like a pro

The workbook also includes two special

chapters 1 developing an action plan for re entry success and 2 navigating today s new digital world Rich in insights and filled with practical examples exercises self tests and resources here s the workbook that can make a big difference in the lives of ex offenders It shows them how to contact employers who will want to hire them because of their unique talents positive attitudes and strong employer centered motivations

Embracing the Song of Phrase: An Psychological Symphony within **The Quick Job Search**

In some sort of eaten by screens and the ceaseless chatter of fast transmission, the melodic beauty and psychological symphony produced by the written term usually disappear in to the backdrop, eclipsed by the relentless noise and interruptions that permeate our lives. Nevertheless, nestled within the pages of **The Quick Job Search** a wonderful literary value overflowing with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, this charming masterpiece conducts visitors on a psychological journey, skillfully unraveling the hidden tunes and profound affect resonating within each cautiously constructed phrase. Within the depths of the emotional analysis, we shall discover the book is central harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
