The Servants Call

Jacob Neusner

The Servants Call:

Rabbi David Jacob Neusner,2012-04-05 Rabbinic documents of David progenitor of the Messiah carry forward the scriptural narrative of David the king But he also is turned by Rabbinic writings of late antiquity from the Mishnah through the Yerushalmi and the Bavli into a sage Consequently the Rabbis Messiah is a rabbi How did this transformation come about Of what kinds of writings does it consist What sequence of writings conveyed the transformation And most important what do we learn about the movement from one set of Israelite writings to take over or submit to the values of another set of writings These are the questions answered here for David king of Israel Rabbi David proves that the first exposition of the figure of Rabbi David in a program of elaboration and of protracted exposition of law and Scripture is found in the Bavli Prior to the closure of that document that is in the Rabbinic documents that came to closure before the Bavli we do not find an elaborate exposition of the figure of David as a rabbi By contrast in the Bavli ample canonical evidence attests to the sages transformation of David king of Israel into a rabbi So while bits and pieces of Rabbi David find their way into most of the canonical documents we find the elaborately spelled out Rabbi David to begin with in the Bavli now represented as a disciple of sages and a devotee of study of the Torah That usage attracts attention because when we encounter David in Rabbinic literature as in all other Judaic canons not only Rabbinic this signals we are meeting the embodiment of the Messiah The representation of the kings of Israel in the Davidic line as heirs of David forms a chapter in exposing the Messianic message of Rabbinic Judaism

Conversations with a Suffering Servant David Wyn Williams,2020-11-26 David Wyn Williams presents a literary reimagining of the Suffering Servant of Second Isaiah through the lens of the work of Mikhail Bakhtin offering insight into how the servant s prophetic characterisation dismantled an exiled nation s ideologies of suffering and called the people to understand their plight as part of a redemptive story on behalf of the nations While Williams devotes the first half of this volume to a close examination of the scriptural servant the second half is given wholly to the experiences and thoughts of a contemporary suffering servant whom Williams interviewed throughout his final days setting up a dialogue between the two in order to raise important questions around our corporate and individual responses to suffering This book is a timely reflection on how an ancient people responded in faith to a national calamity and how a prophetic figure who features in but a handful of poems inspired the nation to endure and rewrite its own narrative of suffering The servant s example in the midst of today s uncertainties could not be more poignant *A Present for Servants ... The Secret Sauce of Servant Leadership Dr. Peter K. Scheuermann,2023-02-10 The Secret Sauce of Servant Leadership was borne out of the desire to help others quickly ignite and launch servant leadership characteristics and attributes into a leader s style and approach to influencing and leading people not employees This book applies to all industries and cultures across the globe The book is structured by first defining

a leadership concept then learning about examples of modern day leaders and organizations who display and live out servant leadership characteristics in their approach and then how this can be applied in other organizations The author takes time in covering such topics as what is servant leadership defining one s purpose living out one s values building a high performance culture creating trust and sustaining long lasting relationships developing and sustaining a servant leader s character and finally the most important of all love the love of people The last two chapters provide a 360 servant leadership assessment example and how servant leadership can be integrated and applied in workplace leadership programs The hope of the author is that the reader will quickly gain an understanding of servant leadership characteristics achieve insights into the examples of both individual and organizations provided and then immediately start incorporating these principles within their leadership approach in turn helping others to become servant leaders
