Thoughts On Religious Experience:

Thoughts on Religious Experience Archibald Alexander, 2023-12-23 The nature of spiritual experience is probably both the most interesting and the most difficult subject in Christian literature interesting because it concerns human life in all observable stages from childhood to death and embraces all the emotions and behaviour possible in a man regenerated by the Holy Spirit difficult because the adequate treatment of the subject makes immense demands upon the author To trace sanctification and backsliding as they appear in human consciousness presupposes a sound biblical theology as well as a spirituality of mind and a pastoral knowledge broad enough to interpret all the varieties in type which occur Twenty years a pastor and preacher in a revival era then forty years a professor at Princeton Theological Seminary commenced in 1812 when he was the sole instructor Archibald Alexander brought to this volume the best wisdom of his life From his own observations and from case histories drawn from Christian biography he follows his subject with the hand of a master He was in Dr Theodore Woolsey's words The Shakespeare of the Christian heart Primarily concerned with what ought to be the impression made upon the life by scriptural truths he has nothing of the vague devotionalism of the religious mystics But within this biblical context a wide variety of experiences passes under review along with a consideration of the practical problems involved in an understanding of the new birth Christian growth spiritual conflict and kindred subjects This is a lucid and fascinating volume almost alone in the field which it covers
