Three At The Angel:

Three at the Angel Maurice Procter, 1958 **The Message of the Three Angels'** Dr. Ashwin Drummond, 2022-11-30

The book gives an insight into the aspects of how this world was created How could the immortal creation of God turn into being mortal The reasons for this aberration and abnormalities have been explained The role of Lucifer the devil in spoiling things and the final outcome in this regard The basic character of God prompted him to salvage the fallen human race Accordingly the Lord has been making interventions right from the beginning to correct this abnormality How this intervention works what are the obligations on the part of man to fulfill and what the logical end is also outlined The final conflict between those who align themselves with God and walk his path in obedience and those who cast the lot with satan and worldly things has also been outlined Right from the beginning of creation to the end the various interventions made by Lord to save his people and the opposition and resistance forthcoming from the devil is also explained The sharp distinction between those who will have eternal life and those who shall be cast in the lake of fire makes interesting reading The metamorphosis to eternity and the end of the devil and his evil angels is clearly brought out This book examines the efforts made by God to gather all the people and give them salvation Right from the beginning God has been looking and waiting for a man to come back to Him Before the world was destroyed by the great deluge He appointed Noah a man of great esteem to preach to the people to repent and leave their sinful ways Noah preached for 120 years for the people to repent and come back to God In like fashion the Lord has been sending prophets since the beginning of civilization so that the people repent and come back to him As a loving God he wants to save every soul and thus gives us chance after chance and opens ways and means through which we can reach out to him Finally God sent his son Jesus Christ They crucified him Through His blood He ransomed humanity Since the chosen people of God rejected Him the door of salvation was opened to the gentiles The Gospel was then to be preached to all in all the corners of the world **Three Angels, One Message** John T. Anderson, 2012 Now would be a good time to remember the angels instructions The Three Angels Message comprise only seven of Revelation s 404 verses a tiny percentage of what John the revelator recorded Yet as God s final warning to a world enamored with sin these cryptic messages are highly significant What exactly is God warning the world about though And how is this warning relevant to you considering what is currently happening in our world If it s so important why isn t this portion of Scripture as well known as the Ten Commandments or the golden rule Within these pages John Anderson examines individual words and phrases to decipher clues embedded in the original language and searches the Bible for the context in which each word is used His careful investigation uncovers the veiled meaning of these messages by comparing scripture with scripture and reveals just how urgent God s warning is to every human on this planet today **End Time Signs** Kurt B. Bakley, 2012-07-27 Will Israel and the U S be destroyed or partially destroyed in 2012 2019 or 2026 2030 and beyond and Muslims Catholics and communism take over most of the world Were there strange things going around the sun the moon

changing degrees and phases stars that aren't where they suppose to be and the magnetic poles changing mostly reported secretly in 2001 2011 Did NASA or scientists and astronomers brush the pictures of them away so not to scare people Did the Bible Code predict strange behavior of the moon in 2011 Will a great tidal wave hit the U S East Coast in 2012 2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2026 2030 and utterly destroy the entire United States if it still around after the war of 2012 2019 Will the Muslims communism and Catholics persecute Christians Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don't deny Christ and convert to Islam Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U S are destroyed and no Rapture or end or Second Coming of Christ happened Several of the Bible prophecies predict God will not make a full end of the U S Israel and the world at this time and pockets of people and nations may or may not survive God may save the U S Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers But if they don't then these events may start to happen This book was written by June 12 2012
