Howard,2018-11-17 Many books have been written about our relationship with God Some of them give us distorted images of ourselves life as a whole or how our relationship ought to be with God This book is an exception to the rule In writing this book my goal was not to point out our flaws and God's disdain for us On the contrary it was to show how in and of ourselves we disappoint God continuously like the children of Israel and that God has made a way for us to honor him through Christ Jesus I therefore had six goals in mind each time I sat to pen this book under the guidance of the Holy Spirit First and foremost Where Is My Honor is intended to help us reflect on how we are personally honoring God in our lives and not necessarily looking at how others are honoring him Second it is intended to be a mirror through which we see the dirt in our lives Third it is a tool to help us do a reality check in terms of our relationship with God Do we truly love him Are we honoring him in ways that he deserves If he were to ask us Where is my honor what would we say to him In other words this masterpiece should help us to stop sleepwalking spiritually Fourth this book is provocative to us After recognizing and acknowledging the dirt we see through this mirror it calls on us to seek the help of the Holy Spirit to remove the dirt Fifth this book helps us to see how fine beautiful or handsome we are after we have been cleansed by the blood of the lamb Finally Where Is My Honor helps us see understand and fully appreciate how good big and truly awesome God is     At His Feet Chris Tiegreen,2003 Based upon the heart and words of Jesus each one of these 365 devotions contain a Bible verse reflective thoughts and application questions on what it really means to follow Christ and put our love for others into action
