Transforming Children Into Spiritual Champions:

Transforming Children into Spiritual Champions George Barna, 2013-02-18 No one can deny our culture is opposed to Christian values and the influences bombarding our children's moral development are difficult to contend with. But few parents and church leaders realize that a child's moral development is set by the age of nine. It is therefore critical to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children. The answer is for churches to come alongside parents to provide them biblical worldview training, parenting information, and counseling that will equip them to help their children become the spiritually mature church of tomorrow. This helpful and hopeful book unpacks just how to develop this kind of dynamic church-parent relationship and includes profiles of churches that are effectively ministering to children and winning the war for their hearts and minds. Transforming Children Into Spiritual Champions Nora Osborn, Richard Osborn, 2007 **Seven by Seven** L. Roo McKenzie Ed.D., 2017-12-19 Praise for Seven by Seven: A clear guide for parents. This work does a lot of the heavy lifting for parents. It is a clear and simple guide on how to raise children with Christian values in a time of great moral and spiritual confusion. Grace Virtue Ph.D. Author of How Will I Know My Children When I Get to Heaven: A powerful aid for parents. The best protection we can give our children against negative peer pressure are the values you teach them. This book is a significant asset in that task. It is a powerful aid in helping parents inculcate in their children the values for God-centered decision making. Patric Rutherford Ph.D. Author of God, Donald Trump, and the Rest of Us Rock Solid Teacher Gregory C. Carlson, 2006-07-21 Even with the increase of methods and classes, effective life change resulting from the teaching of Christian truth seems to be on the decline. Seeking to stem this trend, Gregory Carlson looks at the distinctive model of the Master Teacher Jesus in Rock Solid Teacher. This exciting new resource uses the distinctive model of Jesus teaching to establish sound teaching principles and then practically apply them to impact children, youth, and adults. Teachers of all ages will gain confidence in their personal teaching abilities by being able to recognize good teaching practices, evaluate their own skills, mentor others, enhance their own ability to write lessons, and mirror Jesus' sound teaching principles. The Faith@home Focused Church Mark A. Holmen, 2020-01-28 Have you ever wondered why Christianity is declining in America? Since the 1980s, many American congregations have been very focused on doing church better. A lot of effort and resources have been poured into worship and ministry programs, and they have significantly improved, yet Christianity has been steadily declining. Could it be that doing church better is not the answer to stop the decline of Christianity in America? Could it be that we have paid too much attention to what's happening at church and not enough attention to what's happening at home? Do we care that many churchgoers are living, acting, dressing, behaving one way at church and a completely different way at home, and as a result, children raised in those environments are later leaving the church at an all-time high rate? In The Faith Home Focused

Church Pastor Holmen is going to challenge church leaders to consider three very important questions Do we want the home to be the primary place where faith is lived and nurtured **The Habits of Highly Effective Churches** George Barna,2000-01-11 George Barna reveals nine critical habits proven to make a church an effective local body The Habits of Highly Effective Churches dispels popular myths and wrong beliefs as to what constitutes a thriving church in today s society and is an excellent resource for ministry leaders who are seeking or willing to re evaluate and restructure a church *The Culture-Wise Family* Theodore Baehr,Pat Boone,2007-02-05 Sex Graphic killings Profanity Adultery Flip on the television head for the movie theater or open a newspaper and you can t get away from it How do you raise a family in a world supersaturated with media extolling toxic values that are not your own Media critic Dr Ted Baehr and legendary entertainer Pat Boone draw from their own extensive experiences and interviews with experts to help readers understand the power of the media and its influence on families They also examine the ongoing threats to family values by those in the media who promote a humanistic worldview Media consumers are challenged to understand their own worldviews make wise choices and are given the information they need to do so Baehr and Boone also look at the progress that has been made in family values programming in Hollywood and offer hope for the future Charisma and Christian Life ,2004 American Book Publishing Record ,2004 *AFA Journal* ,2005 Connecting with Your Kids Tim Smith,2005 This guilt free solution for fast families that helps them cut through the chaos and grow closer together is written by a family coach who has worked with families for 30 years *Sunday* ,2001 Why Fathers Count Sean E.
