## **Transmigration Of Souls:**

**The Transmigration of Souls** Alfred Bertholet, 1909 *The Transmigration of Souls* Alfred Bertholet, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1909 edition Excerpt THE TRANSMIGRATION OF SOULS CHAPTER I THE BELIEF THAT THE SOUL CAN BE SEPARATED FROM MAN S BODY JET us first consider the belief that man has a soul which can be separated from his body or to express the idea by a metaphor that the connection of the soul with the body is that of a guest with a house in which he stays and lives with the intention of leaving it after a certain lapse of time So far as we can tell this idea can be traced to the earliest periods of man s mental history In modern times the popular conclusion that a soul exists is usually deduced from the phenomena of thought perception and will man has a soul because he can think feel and will In the uninterrupted activity of these normal intellectual functions we believe that we may observe so to speak the pulsation which indicates their vitality Primitive man reasoned very differently his attention like that of a child was first attracted not by the normal and its constant regular recurrence but by the abnormal which struck him as strange and extraordinary Now man was confronted by one abnormal fact which even now he has not entirely ceased to regard as unusual the fact of death Death then must first be considered when we ask what led men to infer the existence of the soul What is the chief fact that distinguishes the living man from the dead The only outward sign is the cessation of respiration With the last breath a something leaves the body which existed within it during life A window or door is thrown open when a man dies a custom still widespread among our own country folk Similarly Hottentots Fiji Islanders Samoyeds Indians Siamese Chinese and others make a hole in the roof of the house or hut in which a

**Theories Of The Transmigration Of Souls** J. GIBBONS, 2025-05-22 *Theories of the Transmigration of Souls* delves into the rich history and diverse interpretations surrounding the concept of reincarnation across various cultures and philosophical traditions J Gibbons explores the ancient roots of transmigration tracing its presence in early religious and spiritual beliefs The book examines how different civilizations have understood and integrated the idea of the soul s journey through multiple lives Gibbons provides a comparative analysis of the doctrines of metempsychosis offering insights into the nuances and variations in these beliefs By synthesizing a wide range of perspectives *Theories of the Transmigration of Souls* offers readers a comprehensive understanding of this enduring and fascinating aspect of human spirituality This book is an invaluable resource for those interested in comparative religion philosophy and the perennial quest to understand the mysteries of life and death This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United

States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Theories of the Transmigration of Souls (1907)** J. Gibbons,2009-04 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

**Aeneidos** Virgil,1900

Transmigration of Souls Nat Khublall,2019-07-04 Without going into philosophical aspects to any extent this book is intended to provide a simple approach to the understanding and meaning of transmigration of souls more popularly known as reincarnation and related matters The first chapter deals with the various religions and cultures which support the concept of reincarnation also known as rebirth One chapter deals with general principles of reincarnation to alert the reader about important aspects For example a reborn person is likely to exhibit certain traits of the former life Case studies as researched and analysed by the late Dr Ian Stevenson and his colleagues are referred to in a number of chapters The case studies are conveniently grouped according to regions such as the subcontinent of India Europe and the United Kingdom the East and the Middle East and the Americas Birthmarks play an important part in some cases in support of proof that the claim to rebirth is genuine Because there is still a number of sceptics on the concept this is covered to a certain extent and mention is made that some of the former sceptics have changed their views The percentage of believers is now more than half of the world s population A few other matters are also discussed in separate chapters They are near death experiences NDEs xenoglossy i e the ability to speak a language without learning it in the present life and intermission memories i e memories during the interval between death of a former life and rebirth

**The Transmigration of Souls (Classic Reprint)** D. Alfred Bertholet,2017-10-15 The Transmigration of Souls written by a professor of theology at the University of Basle named Alfred Bertholet is an examination of the concept of transmigration also known as reincarnation First written in German this work was translated into English by Reverend H J Chaytor and has now been republished by Forgotten Books This is a brief work that argues for the existence of transmigration by tracing the concept across different religions and through various societies and cultures The author begins the book by laying out three preliminary suppositions that form the foundation for the book s discussions the existence of a soul separate from the body

the belief that non humans possess souls and the acceptance that souls can be transferred between organisms The book begins with a discussion of the souls of various living beings plants animals and humans The latter part of Bertholet s work traces the concept of reincarnation through various religions including Christianity Judaism Islam and Buddhism Space is also devoted to a discussion of metempsychosis in ancient Greece and amongst the Celts While the author covers a good deal of ground in *The Transmigration of Souls* very little of the text is written in a persuasive manner The concept is presented more as a matter of fact which may be difficult to accept for the skeptical reader On the other hand for those who already believe in reincarnation it may be a reaffirming read About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
