Transportation Logistics One Mans Stor:

Transportation and Logistics Jack C. Fuson,1994 **Transportation and Logistics** Jack C. Fuson,2004 This volume which depicts the fortunes of a U S Army logistician in a time of upheaval and deals with problems of moving troops and supplies to far theaters of war may be read as a personal tract for the times as well as the history For thirty five years of service in a career of first hand experience fighting in the Pacific and Asia and high staff responsibility in Europe and Washington Jack C Fuson grappled with fundamental issues of transportation and logistics and amassed a lifetime of knowledge in managing the arteries of war In this work the focus is on transportation the practical art of moving armies in particular to those operations which have recurred in the wars of this century when great magnitude and urgency have tested the military s resources For there is a maxim in strategy and logistics no less true today than in New Guinea Korea and Vietnam when General Fuson learned his craft that success usually goes to the side with the capability to feed in the troops and goods at the superior rate All through these pages General Fuson presents vivid examples of the impact of military transportation on the prosecution of war Anyone at all concerned with logistic effectiveness and the requirements for mobility in an era of contingency missions will find much in this book to contemplate Equally important is General Fuson s stark reminder that logistics is the true limitation on strategy and tactics Transportation and Logistics Center of Military History United States Army,Center of Military History United States,2015-02-25 Transportation and Logistics which depicts the fortunes of a U S Army logistician in a time of upheaval and deals with the problems of moving troops and supplies to far theaters of war may be read as a personal tract for the times as well as history During his firsthand fighting experience in the Pacific and Asia as well as his high level staff assignments in Europe and Washington Jack C Fuson grappled with fundamental issues of transportation and logistics and amassed a lifetime of knowledge in managing the arteries of war Fuson presents vivid examples of the impact of military transportation on the prosecution of war all the while reminding us that logistics is the true limitation on strategy and tactics This incisive account offers many lessons for those concerned with logistic effectiveness and the requirements of mobility in an era of contingency operations **Spearhead of Logistics** Benjamin King,Richard C. Biggs,Eric R. Criner,2001 Spearhead of Logistics Benjamin King,Richard C. Biggs,2016-02-25 Spearhead of Logistics is a narrative branch history of the U S Army s Transportation Corps first published in 1994 for transportation personnel and reprinted in 2001 for the larger Army community The Quartermaster Department coordinated transportation support for the Army until World War I revealed the need for a dedicated corps of specialists The newly established Transportation Corps however lasted for only a few years Its significant utility for coordinating military transportation became again transparent during World War II and it was resurrected in mid 1942 to meet the unparalleled logistical demands of fighting in distant theaters Finally becoming a permanent branch in 1950 the Transportation Corps continued to demonstrate its capability of rapidly supporting U S Army operations in global theaters over the next fifty years

With useful lessons of high quality support that validate the necessity of adequate transportation in a viable national defense posture it is an important resource for those now involved in military transportation and movement for ongoing expeditionary operations This text should be useful to both officers and noncommissioned officers who can take examples from the past and apply the successful principles to future operations thus ensuring a continuing legacy of Transportation excellence within Army operations Additionally military science students and military historians may be interested in this volume
