Traveling Souls:

Traveling Soul Todd Mayfield, Travis Atria, 2016-10-01 Curtis Mayfield was one of the seminal vocalists and most talented guitarists of his era and his music played a vital role in the civil rights movement People Get Ready was the black anthem of the time In Traveling Soul Todd Mayfield tells his famously private father's story in riveting detail Born into dire poverty raised in the slums of Chicago Curtis became a musical prodigy not only singing like a dream but growing into a brilliant songwriter In the 1960s he opened his own label and production company and worked with many other top artists including the Staple Singers Curtis's life was famously cut short by an accident that left him paralyzed but in his declining health he received the long awaited recognition of the music industry Passionate illuminating vivid and absorbing Traveling Soul will doubtlessly take its place among the classics of music biography
