Yet many remain unaware trapped in cycles of pain because they lack the knowledge of God's truth. The Bible declares in Hosea 4:6, "My people are destroyed for lack of knowledge. This is not just ignorance of facts but a rejection of the truth that can set you free. The enemy thrives on secrecy and deception, planting seeds of destruction in your life. These seeds manifest as wrong choices, false beliefs, and unhealthy patterns that enslave your spirit. Exposing the Enemy's Schemes: Through this book, I will expose the hidden works of darkness, witchcraft, false religion, generational curses, and the misuse of sexuality that rob you of your peace and destiny. The enemy uses these tools to create strongholds in your life, but God's truth can demolish them. You cannot fight spiritual battles with human weapons. Deliverance comes only through Jesus Christ, who declared, "Then you will know the truth, and the truth will set you free." John 8:32. This truth is your key to breaking free from every chain and reclaiming your God-given identity.

A Call to Action: This book is your wake-up call. It is an invitation to confront the lies that have kept you bound and to embrace the light of God's truth. If you are tired of living in defeat, if you feel trapped by invisible chains, this is your chance to experience true deliverance. The choice is yours: will you remain in darkness, or will you step into the freedom that Jesus Christ offers? The time to act is now. God's light is here to expose every lie and destroy every yoke. Open your heart, seek His truth, and let this book guide you to victory.

Indian Antiquary, 1900. At a time when each Society had its own medium of propagation of its researches in the form of Transactions, Proceedings, Journals, etc., a need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of Indian culture in all its aspects. This encouraged Jas Burgess to launch the *Indian Antiquary* in 1872. The scope was, in his own words, as wide as possible, incorporating manners and customs, arts, mythology, feasts, festivals, and rites, antiquities, and the history of India. Another laudable aim was to present the readers abstracts of the most recent researches of scholars in India and the West. *Indian Antiquary* also dealt with local legends, folklore, proverbs, etc. In short, *Indian Antiquary* was entirely devoted to the study of MAN, the Indian, in all spheres.
