## **Tu Fu:**

The Selected Poems of Tu Fu Tu Fu, David Hinton, 1989-06-17 For over a millennium Chinese literati have almost unanimously considered Tu Fu 712-770 A.D. to be their greatest poet. Tu Fu radically altered poetry as he found it in the High Tang period. In addition to making formal innovations in language and structure, he extended the range of acceptable subject matter to include all aspects of public and private experience, thus becoming, in the words of translator David Hinton, the first complete poetic sensibility in Chinese literature. This edition of *The Selected Poems of Tu Fu* is the only comprehensive selection of the poet's work currently available in English. While retaining a scholar's devotion to the text, Hinton has attempted to recreate Tu Fu's poems as new systems of uncertainty. By reflecting all the ambiguity and density of the originals, he has created compelling English poems that significantly alter our conception of Chinese poetry. Included with the poems are the translator's introduction and translation principles, as well as a biography of Tu Fu; together these provide a fascinating portrait of a uniquely sensitive spirit during one of the most tumultuous periods in Chinese history. **Du Fu** Du Fu, 2013-08-21 Du Fu 712-770 is one of the undisputed geniuses of Chinese poetry, still universally admired and read thirteen centuries after his death. Now David Young, author of *Black Lab* and well known as a translator of Chinese poets, gives us a sparkling new translation of Du Fu's verse, arranged to give us a tour of the life, each chapter of poems preceded by an introductory paragraph that situates us in place, time, and circumstance. What emerges is a portrait of a modest yet great artist, an ordinary man moving and adjusting as he must in troubled times while creating a startling, timeless body of work. Du Fu wrote poems that engaged his contemporaries and widened the path of the lyric poet. As his society, one of the world's great civilizations, slipped from a golden age into chaos, he wrote of the uncertain course of empire, the misfortunes and pleasures of his own family, the hard lives of ordinary people, the changing seasons, and the lives of creatures who shared his environment. As the poet chases chickens around the yard, observes tear streaks on his wife's cheek, or receives a gift of some shallots from a neighbor, Young's rendering brings Du Fu's voice naturally and elegantly to life. I sing what comes to me in ways both old and modern, my only audience right now nearby bushes and trees, elegant houses stand in an elegant row too many, if my heart turns to ashes, then that's all right with me from *Meandering River*. **Reconsidering Tu Fu** Eva Shan Chou, 1995-11-24 Tu Fu is, by universal consent, the greatest poet of the Chinese tradition. In the epochal An Lushan rebellion, he alone of his contemporaries consistently recorded in poetry the great events and pervasive sufferings of the time. For a millennium now, Tu Fu's poetry has been accepted as epitomizing the Chinese moral conscience at its highest, and as such, his work has been placed almost beyond the reach of criticism. Indeed, objectivity about Tu Fu has often been viewed as criticism of him. In *Reconsidering Tu Fu*, Eva Shan Chou proposes that these thorny problems be met by separating his legacy into two distinct but related aspects: as cultural monument and as a great and original poet. Examining Tu Fu as cultural icon, she investigates the evolution and nature of his reputation and shows its continuing effect upon interpretations of his poetry. In

her discussions of the poetic legacy she introduces concepts relating to subject matter style genre structure theme and voice in order to provide for a fruitful reconsideration of his poetry Many poems are discussed both well known and less familiar Dr Chou s analyses are original in their formulation and also considerate of the many fine readings of traditional commentators
